Well GHOSTBUSTERS !! Welcome once again to MOULD MAGAZINE, this is as you know the third issue ! And without sounding cool, I can tell you all that this 'zine has improved alot since the last issue (March '91). Alot of brutal and cool aliens has written me, and also tons of bands has kept in touch. And as you all know, that means alot of work... And one helluva great & enjoying time !! So maybe it's time to say as I said in the last editorial, a Special thanx goes out to all the : BANDS/ZINES/MAGS/RADIOSTATIONS/ARTISTS/LABELS/COMP.TAPES...etc !! And I would also like to say a BIG thanx to all my close friends too...HEAPS DUDES & GIRLS !!!!!!!

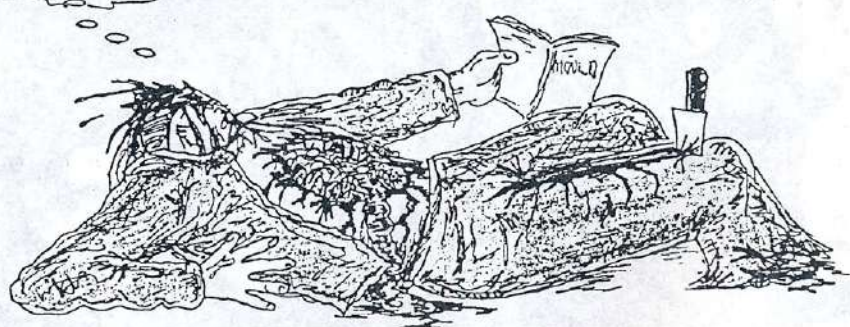

Maybe some of you creeps out there thinks that this issue including alot of uninteresting & (of course) Old material, but if you don't like it - STAY AWAY !! I am not into this shit to satisfy you & your dog. I do this to Support the bands, and yes, y'know, it's FUNNY !!

Anyhow, as you can find out later...Mould is heavy enough to present the first Interview ever with the Good 'ol black/death label MOULD IN HELL RECORDS !! Also you can find interviews with both BRUTALITY & MEGA SLAUGHTER even this time. There was meant to be interviews with TEMPERANCE, FALLEN ANGEL, UNLEASHED, SINDROME & EDGE OF SANITY too...But sorry guys, maybe NEXT time !! Speaking of next time, I can tell you all that Next issue (4) will not be out before the next summer-1993. I hear some of you are asking me Why ?? Well, at first, I must work very hard to get interesting material & of course alot of New Killer bands to be featured !! And then I got alot of other things to taking care of...Ohh, you already knew...That's OK !!!!!!!

So at last of this Editorial, I would like to say a thing to all serious bands/zines/labels...etc !! Get in touch for an honest exposure in my next ish. **TELL US ABOUT YOUR 7" EP "THE BLACK MASS" ?? ARE YOU SATISFIED WITH IT ??**

Marlboro

The new underground act from Nokia, Finland - LUBRICANT !! They have released alot of rehearsal tapes during the last year, now they will propably have their debut studio demo out... So please, support this band !! Their music is in the vein of Carcass/Voivod with a touch of some Hardcore !! Over to the interview with their vocalist Panda...

**HOW MANY GIGS HAVE YOU PLAYED UNDER THE NAME OF LUBRICANT, TELL US ABOUT THE CRAZIEST ONE ??**

-We have played so far, only one gig under the name of Lubricant. And it wasn't crazy at all, because it was shitty as shit... They told us 15 minutes before our turn, that we should go and play !! We weren't prepared at all, but we played 5 songs and they went really bad. Next time we'll like to know at least an hour before if we're gonna play or not !!

**ANY NEW TRACKS DONE SINCE THE LAST REHEARSAL TAPE "SURGICAL CENTENSIS" ??**

-Yeah, sure !! There's now 2 new tracks. I think they continue the same way as our Reh. Tape, but there's more aggression and rawness in these new trax. I won't write any titles, because both of them will be on our demo. (And I will ain't either tell yaa the titles, even if i know them...HAHA !/Ed.)

**AT FIRST, WHY DID YOU CHANGED NAME FROM OVD TO JUST LUBRICANT ??**

-It happened because we kicked our guitarist out, we got bored with our unoriginal speedshit and we decided to start playing Death Metal (well, is it actually death ?/Ed.) with a difference and our own ideas. The name came from my dictionary. We know that it isn't the best name, but now we're satisfied with our logo and we think that our name is serious enough !!

**WHAT DO YOU THINK OF YOUR HOME-TOWN FELLOWS "CONVULSE" ??**

-Well, CONVULSE made a demo and they recieved a good reputation in the scene, and they recieved a record deal also, and I think that is great !! Personally I do not like their music, or lyrics. But the guys are nice and their T-shirts is good for waxing (He, He, He !!)...HI JAMA !!

**WHICH DEMOS AND ZINES ARE YOUR FAVES ??**

-My personally fave demos are: Vader's "Morbid Reich", Suffer's "Manifestion Of God", Dead Head's "The Festering", Disgrace's "I.T. L.O.D." and Purtenance Avulsion's "Demo '91"... Fave zine's are: SLAYER, MORBID, MOULD (I didn't payed him for saying that...Strange /Ed.), Septicore, Peardrop, Slimy Scum (Hi Tommi/Ed.), Isten...etc !

**YOU HAVE JUST RELEASED AN NEW REHEARSAL TAPE, BUT WHEN WILL YOU ACTUALLY RELEASE YOUR DEBUT STUDIO DEMO ??**

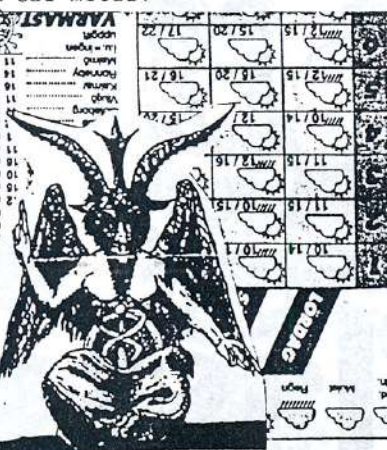

-It was released in April '91 and we don't like it so much anymore !! Our debut studio demo will be out in August, but it might go to September also. (Anyway, I hope it's out by now /Ed.) It'll including maybe 4 or 5 tracks of original surgical metal.

**YOUR FAVOURITE DAILY NEWSPAPER ??**

-My fave daily newspaper is without doubt the AAMULENTI, although there's nothing good in it !!

**I ALSO HEARD THAT YOU MAYBE WILL RELEASE A SPLIT 7" EP TOGETHER WITH NEPHRITE (NORWAY), TELL US MORE ABOUT THAT PROJECT ??**

-Well, after our demo... We're of course looking for a deal, but if we don't have one, we might will release that split-ep.. NEPHRITE guys are really great dudes !!!

Imorgon

WHAT DO YOU ACTUALLY THINKS ABOUT UNDERGROUND ??

-Too much Death Metal bands that reminds each other..Too much lazyness and rip-offs. I think the Thrash scene is much more professional. There's no "Real" death metal bands left anymore !! They are all the same...It's sad !

IF I SAY "INNOCENT TAPEWORM", WHAT DO YAA SAY THEN ??

-You're going into right direction with your words !! Ok,I.T. is my very own magazine and my 3rd issue will be out in the autumn,with lots of great bands !! Written in English...Lots of reviews,i mean lots !!

ANY LAST WORDS TO THE READERS OF MOULD MAG ??

-Ok,first of all...Thax to Perra for supporting us and all of those who have made contacts with LUBRICANT !! Buy our demo,when it's out, and keep farting !! Hello to our girlfriends and our friends,especially to you PERRA! You are a fucking great guy. (Your welcome Panda,you are also a real cool dude !!/Ed.)

Everbody know this band - NOCTURNUS They have release an album on Earache,entitled "The Key".... Well,what more to say...They are pretty original,and very good !! Directly from Florida,Usa a interview with their brutal drummer Mike Browning....Cry for my soul...

ARE YOU SATISFIED WITH YOUR DEBUTALBUM "THE KEY" ??

-Yes,it's doing well. People are opening up to it, I think !!

YOU'RE KNOWN AS A QUITE ORIGINAL BAND,WITH ALL THE KEYBOARDS AND STUFF...WHAT DO YOU THINK OF THAT ??

-Well,we're probably not the first to use the keyboards. But I do think that our writing skills are original.

WHO WRITES THE MUSIC & THE LYRICS ??

-Mike Davis writes 90% of the music and we split the lyrics 50/50 !! -THE LYRICS ARE MERELY SCIFI STORIES ABOUT HISTORY AND OCCULT !! (But why should I write the last meaning with big letters ??/Ed.)

HOW WAS THE GIGS HERE IN EUROPE,WITH BOLT THROWER ?? DID UNLEASHED PLAYED SUPPORT ACT TO ANY OF THE GIGS ??

-We got to know the UK a little better from the tour...And Unleashed was a really cool band,however alot of times the "Club" promoters fucked them over because they were the opening band. Some promoters should be destroyed.

DO YOU KNOW WHAT YOUR EX-GUITARIST GINO MARINO DOING NOWADAYS ??

-He's been hangin' out smoking drugs,Not-Working,Not-Playing guitar-Real amazing,huh !??? (It is not funny to hear those kind of things/Ed.)

WHAT DO YOU THINK OF ALL THE NEW DEATH METAL BANDS LIKE: DEICIDE(EX.AMON), MALEVOLENT CREATION,EXHORDER...etc ??

-We like them all,especially the new IMMOLATION + MALEVOLENT CREATION,excellent !! (And don't forget the old "Cult"-gods BRUTALITY.../Ed.)

ARE YOU ANSWERING EVERY

**A How-to Guide to Suicide Stirs Up a Storm**

SINGLE LETTER (MAIL) THAT YOU RECIVEDS IN YOUR POST-BOX ??

-Yes,but we are cautious of RIPP-OFFS,there are so many these days !! (But you can count on a copy of MOULD 3....Hehe !!/Ed.)

ANY NEW TRAX DONE SINCE THE ALBUM ??

-There are 7 new songs,and they will be on the second lp...Soon to come in January 1992 !!

WILL YOU RECORD YOUR NEXT ALBUM IN MORRISOUND ?? WILL THE COVER BE DONE BY DAN SEAGRAVE ??

-It's not for sure yet,we know the recordings will be on 48 track this time instead of 24...And I think everybody is using Dan SeaGrave anymore !!

I KNOW THAT YOU HAVE A FAN CLUB IN HOLLAND,IS IT STILL EXISTS ??

-That was a complete failure,this guy Eric Sluiter told us these great stories,that he would do but did nothing...Whatever you do,don't write him - Write to Earache !!

ALRIGHT MIKE...THAT WAS IT ANY LAST ADDITION ??

-Thanx for the view and watch out for our 2nd Lp in January 1992...

YAYAYAHAYA...Buy their next album,this band totally shred !! Well,now it's time for my daily dose of KNOCK-TUR-NUS or was it NEP-TU-NUS...No !! NOCTURNUS !!

Well folks !! Now it's time for the bastards from hell, with other words HELLBASTARD... Yeah, the great thrashdeath band from England !! For a while ago they released their second lp called "Natural Order" on Earache, but now i have talk enough let us start the interview with their drummer Bry...

WHAT'S UP WITH HELLBASTARD THESE DAYS ?? IT WAS A HELLUVA LONG TIME AGO SINCE WE HEARD SOMETHING FROM YOU...WHAT HAPPENED ??

-At the moment we are getting new tracks together for the new record, we can only do rehearsals once a week, which is no good. The reason why, is because the rehearsal rooms cost too much for us, so things are slow at the moment !!

TELL US THE REAL STORY BEHIND YOUR ALBUM "NATURAL ORDER" ??

-The real story behind "Natural order" is about real life happenings in the world, natural order is about this sort of things.

ARE RALF IN SWITZERLAND STILL SELLS YOUR T-SHIRT AND 7"EP ??

-I really do not know if Ralf's selling the 7", because as far as we know there wasn't that many pressed...T-shirts i think, yes !

ABOUT THE 7" EP, IT WAS RELEASED BY TEMPLE OF LOVE RECORDS IN GERMANY, RIGHT !! BUT HOW MANY COPIES DID THEY ACTUALLY PRESS-ED UP ?? AND WHICH WERE THE TRACKS ??

-Yeah, Temple of Love released the 7"...And i think they pressed up 1000 copies, the tracks on the 7" are: Deadlock, They brought death, Live as mortals, Head-in for internal darkness, Death from above, Death camp. Only Deadlock and They brought death were put on the 7", the others were put on the

cd-version of "Natural Order".

YOUR RECORD LABEL EARACHE GOT A LOT OF GODLY BANDS IN THEIR HANDS, WHAT DO YOU THINK OF EARACHE ?? DO THEY PROMOTE YOU AS MUCH AS YOU WANT ??

-Yeah, they have good bands, Earache are a good Death metal label. No were not gettin' promoted as much as we want !! I think.. "Natural Order" was mostly promoted by tape-traders who spread the word !!

DO YOU HAVE ANY CONTACTS IN SWEDEN, THAT YOU WOULD HAIL ??

-No, i have no contacts...I like AGONY, good band. (Well, i think that they now rest in pieces. Hehehe!!/Ed).

I KNOW THAT YOU BRIAN HAS PLAYED IN A BAND CALLED "SECULAR" BEFORE, TELL US MORE ABOUT THAT ??

-Well, i formed Secular in late '85, when it was the more punk/hardcore !! Then later on it seemed to go towards power metal, thats when Ally Lee joined, he was also in Secular...He joined around '86, we did one demo and one gig ! It was an out door festival, shortly after the bassist (who also did the vocals) left. After this Ally formed his own band and still jammed with me, shortly after i joined Hellbastard.

YOUR CD-VERSION OF "N.O" GOT 7 BONUS TRACKS, DO YOU THINK THAT IS FAIR TO THE FANS WITHOUT A CD-PLAYER ?? IS THE BONUS TRAX ON THE CASSETTE VERSION ??

-No unfair, because i have a Cd but don't have a Cd-player. But i think of it this way: I have the Cd, it was Earache's idea to put the bonus tracks on the Cd, those tracks sound shit because we did it all in 6 hours and i had just joined the band. No, the bonustracks are not on the cassette version, i don't

know why not. Earache didn't give us a lyric sheet which is no good, well they did on some albums with songs missed off and words mixed up !!

IS THERE ANY NEW TRACKS DONE SINCE THE ALBUM ?? ANY TITLES?

-For sure there is, we now have six new tracks, the titles are: Behind closed doors, The need to kill, Taste the ice pik, Slo-ugh feg, Procession for the blind, Twisted, and on the way a track called Seed of evil.

TELL US ABOUT YOUR BEST GIG ??

-I think we'd all agree on Napoli (Italy), when we toured with Napalm Death...Totally mad crowd, not only Napoli every italian gig..Amazin for Hellbastard !! We wanna do a gig in Sweden (you can always come and play in my kitchen, if you want !!/Ed.)

ANY PLANS TO MADE A VIDEO FOR MTV ?? OR A HOMEVIDEO, OR SOMETHING LIKE THAT AT ALL ??

-Yeh..We wanna do a video for "Behind closed doors" and also a very mad homevideo !!

OK BRIAN !! THAT WAS ALL, ANY LAST WORDS TO ALL THE READERS OF MOULD MAGAZINE ??

-Hi readers...I hope you like the answers i've given Perra, i also, well all Hellbastard would like to see all of you havin a bop when we come to Sweden in the near future !! Stay calm and love music, and thanx alot for reading...See you soon dudes....HELLBASTARD!!

Well, ok readers..We must of course thank Bry and Hellbastard for this interview, we all would like to see you in Sweden soon !! Keep up the good work dudes...You rule !!!!!

# INVOCATOR

After the "Alterations" demo 2 '90 they went one of the worlds most popular Underground band. Of course i am speaking of the great INVOCATOR from Denmark. Soon they're gonna release their debut album, by Black Mark Productions (Edge Of Sanity, Tribulation..etc...). Entitled "Excursion Demise", over to their vocalist and guitarist Jacob Hansen !!

## TO START WITH...HOW WAS THE RECORDINGS OF YOUR DEBUT LP IN MONTESUMA STUDIOS ??

-It was really great. Everything went as planned, except that i couldn't sing on more than 5 songs before my throat and voice got sore. It was a great studio and our engineer REX was a great guy...The songs are: "Excursion Demise", "For-saken Ones", "The Persistence From Memorial Chasm", "Absurd Temptation", "Schismatic Injective Therapy", "Occurrence Concealed", "Beyond Insufferable Dormancy", "Inner Contrarieties" + CD Bonus, "Alterations". The album is titled "Excursion Demise" !!

## YOUR DEMO "ALTERATIONS" HAS NOW ENTERED METAL FORCES DEMO READERS CHART AS NO.1, HOW IS THAT FEELS ??

-It feels goooood!! I don't think it means very much, but i'm glad that it is so !! Maybe people will recognize our name easier when our Lp is out then. I hope it means something, but i'm not sure whether some people just voted us and because we were the only band voted we rose on the charts.

## DO YOU KNOW WHAT YOUR OLD MEMBERS ERIK AND MIKKEL DOING NOWADAYS ??

-Yeah, Mikkel now lives in another city and so does Erik. Erik is a trucker now, HAHHA !! We're still good friends, but they haven't got anything to do with music any longer.

## WHAT DO YOU HONESTLY THINK ABOUT THE SWEDISH AUDIENCE ??

-When we played there I think we were pretty well received, coz nobody knew us: I don't know very much about the Swedish audience, but in Norrköping as an example people just looked at us, most of 'em anyway..But that's ok !! I know how it is to be in the crowd...We met alot of cool people at the shows, so I like Swedes...

## DO YOU HAVE ANY GIGS COMING UP SOON ??

-Yes, we'll play in Holland soon with Asphyx, DeadHead, Korsakov !! + A show in Berlin with alot of death bands. We have a tour coming up and a ton of things are happening. I hope we will play in Sweden soon. There was a talk about a Black Mark Day with Tribulation, Edge Of Sanity, Invocator and Bathory !!

## YOUR FAVOURITE BANDS....INFLUENCES...etc ??

-Fave bands: Dark angel/Morbid Angel/Fates Warning/Artillery/Psychotic Waltz/Massacre/Sindrome/Watchtower/Helstar/(Old) Candlemass/Heathen/Monstrosity/Cynic/Malevolent Creation...etc. And also I think you can count these bands as our influences: Entombed, Autopsy, Danzig...etc !!

## TELL US ABOUT YOUR HOBBYBAND MACERATION, IS IT TRUE THAT YOU HAVE SIGNED WITH TURBO RECORDS ?

-About Maceration, yes we have signed with Turbo Records for an Lp release the 1st of Oct. I'm looking forward to record it and everything, because I suddenly play another instrument. I guess it'll be some primitive death metal, but we're still without vocalist. I hope we find one, otherwise we gotta find a session vocalist or something.

## SO...WHAT'S NEXT FOR THE INVOCA-TOR CLANE ??

-Well, after the Lp release we'll as I told you play a number of shows to promote the album. We'll also do a couple of in-stores, interviews in both big newspapers + radiostations..etc. After that we'll begin working on our 2nd album if this one sells alright.

ANYTHING TO ADDITION, TO ALL THE

## READERS OF MOULD MAGAZINE ??

-Thanx alot for the interview. I hope all who read this will give our Lp a fair chance, when it's out !! You know, it's not recorded in Sunlight... Hope to see most of you when we play in Sweden, soon !! Take care all you freax !! Write us for information, and we still have some remaining copies of our "Alterations" demo for 6 Us\$. T-shirts and Sweat-

shirts are available, M-L-XL from Black Mark...Take care !!!

Well, me myself must of course say thanx to you Jacob for this ultra-good interview...You rule! And you, readers: Buy their debut album immediately !! 8 (9 on CD) totally God-Forsaken death-thrash tunes...Out now !! Contact add: JACOB HANSEN, KONGE-NSVADE 84, 6700 ESBJERG, DENMARK ! !!WRITE NOW...FOR GOD SAKE !!!!!

# RECORDS RECORDS RECORDS

Here I will now try to write down some record reviews...I'll try to make 'em as interesting as possible !! Read this and be prepared to rot...

## MASSACRE "FROM BEYOND" EARACHE.....

Ok..Everybody know this band since Bill & Terry from Death joined, actually Massacre has been a band for about 5 years...And released a few demos, before this debut album..Anyway, at first you think that the singer Kam Lee (former member) is influenced by Barney (Napalm Death)...But it's actually on the contrary, Barney is alot influenced by this old "cult" growler Kam !! There's also another ex-Death member in the band, the guitarist Rick Rozz...Yoyoyo, this is as I said their debut album. It got 10 trax of Gore/Horror Metal...Yes, this band must be alot interested in scary things.. Look at titles like: Corpsegrinder, Cryptic Of Realms, Symbolic Immortality,....From Beyond...etc. Of course it's recorded in Morrisound Studios with Scott "Jag-Blömd-Hatten-Hemma!" Burns as producer. So the sound is excellent. By the way, buy this album...It's the perfect medicine for headache (or was it Earache ??) !!!!!!!

## ASPHYX "THE RACK" !!!! CENTURY MEDIA !!!!!!!

Time for the Undergound gods in Asphyx !! You know that they now got Martin V. Drunen on Vocals, so maybe it sounds abit like Pestilence...But, who care? This album is recorded on a 8-Tracker, so they must have worked for years to become this

brutally sound...It's really loud & raw !!! Personally I adore tracks like: Vermin, Evocation, Wasteland Of Terror, Pages In Blood. This record is a must for every "true" death metallor, buy it in your nearest record-store !!!!!!!!!!!!!!!

## MEGA SLAUGHTER "CALLS FROM THE BEYOND"..... THRASH RECORDS.....

At last this debut is out...What a band !! If Thrash don't make a good selling record out of this, they must stop their productions...Believe me ! This is one of the best death metal releases so far...Heading through trax like: Blood Runs Free, Shreds Left Behind, Death Remains, Calls From The Beyond, Bloodshed...+ A few more !! I heard something about that the distributors to Thrash didn't want to buy in this Lp, because they aren't famous...What a joke, huh !!!!!!! This is what I call Underground...So I hope that Mega Slaughter will change record-label soon, because this band is too great for Thrash... So..This is an order: GET THIS RECORD IF YOU HAVE THE CHANCE, YOU WON'T REGRET IT !!!!!!!!!!!!!!!

## DISMEMBER "LIKE AN OVERFLOWING STREAM"..... NUCLEAR BLAST RECORDS.

I think that most of you already got this album, maybe because it's recorded in Sunlight, maybe because it sounds abit like Entombed...I don't know ? But I know that this record is the best released so far, on Nuclear Blast Records !! Many of you might think that Disember sounds just like Entombed...But I know that both these bands are good friends, and they started up almost at the same time...Back in 1988 !! But Disember was dead for a while, and the former members joined bands like Carnage and Unleashed...Well, back to reality then. This is a GODLY record, much better than the Carnage Lp !! Anyway, buy if you want.... Matti's voice rules !! (You must take a special listen to trax like: Override Of The Overture, Dismembered, Skin Her Alive, In Deaths sleep..And so on.)

## NAKED CITY "TORTURE GARDEN".....EARACHE...

At first, I wasn't sure what this was ?? But after a few listenings I began to realize, really "crazy" music.... It goes through styles like: Jazz, Grind, Blues

, Country, Death, Rock'n' Roll, Thrash...Really amazing, huh !!!!! A other strange thing is that I don't know if it's a Lp or a 12", because you must play it on the speed of 45...Strange ! Anywhat ?? This is one of the most Artfull album ever...42 tracks of original music, the name of a few tunes is: Jazz Snob Eat Shit, Hellraiser, Osaka Bondage..... so if you are looking for something different, then don't miss this one !! UGLY FACE !!!!!!!

## EDGE OF SANITY "NOTHING -BUT DEATH REMAINS"..... BLACKMARK PRODUCTIONS..

What can I actually say about this band ?? They are good, but this recording must have lost something on it's way. It's ok to be a debut and the tracklist is: Tales, Human Abberation, Maze Of Existence, The Dead, Decepted By The Cross, Angel Of Distress, Impulsive Necroplasma, and...Immortal Souls !! The drummer Bempa does not use any doublebassdrums, it's ok...But it can not go on forever. I think that some parts would be even heavier with double bassdrums. Anyshit, they're a very good live band... So I say: Keep up the good work dudes !! And remember - You can't live forever, but can you be dead forever ?!!!!!!!!!!

## PARADISE LOST "GOTHIC". PEACEVILLE.....

OH SHIT !! The Gods from England has returned Of course i am talking about Paradise Lost's latest album "Gothic". Ultra-Heavy-Doom...Woa! Their debut album was really "Godly", but this one is even better... I can't believe my brain, when I listen to trax like: Gothic, Shattered, Falling Forever, Si-

MASSACRE (OLD SHOT).

lent, The Painless... This record is something that you can't miss.... Do as I say, get this masterpiece before I get you !! HEHE !!

UNLEASHED "WHERE NO LIFE DWELLS" .....  
CENTURY MEDIA .....

Hey... Here we got the debut Lp from Unleashed. And boy, this is great... Aggressive metal, much better than I thought !! Because their demos wasn't my faves.... Anyhow, maybe they remind us abit like the old Nihilist (swe)... But that isn't so strange, because as everybody know Johnny (Bass/Voc) has played in that band !!!! Enough bullshit, over to the best trax: Where No Life Dwells, Before The Creation Of Time, For They shall Be Slain... And it's not recorded in Sunlight, if that's now makes any difference !! Support this band & STAY UNDERGROUNDISH !!! ALGFAAN !!!

MORBID ANGEL "BLESSED ARE THE SICK". EARACHE.

Well, now it's time for my opinions about the latest Morbid Angel. After the bone-crushing intro, the music began... Hellbabberriba! This is absolutely the pioneer of Death metal, and this is not far from the track quality on "Altars Of Sylltglass"... A big - goes to the old track choices, even if they are still the brutalliest tunes on earth... YAYA, the new trax isn't that bad as it sounds, I am really into the title-track, Fall From Grace, Brain Storms... You can say that Morbid has become more modern, but what's wrong with that ?? This is Morbid Angel 1991/92. They still singing about occultism & satanism... !!!!!!!!!!!!!

AUTOPSY "MENTAL FUNERAL"... PEACEVILLE....

12 tracks about Splatter is next... Yeah, they are back again - AUTOPSY !! Many of you might think I am crazy when I say this: But, I like this record much more than their debut... This is more doomy and heavier, it's totally best. I am ready to sell my guts when I hear tracks like: Twisted Masses Of Burnt Decay, Fleshheraw, Slaughterd, Robbing The Grave, Ho-

le In The Head, Destined To Fester... Puh !! Well, now when I am out of guts, I can tell you that they have cancelled the whole planned European tour... So now I will soon pull the rope around my neck !! (Oh.. I must be lucky that I am a schizo/Ed.) (Fuck You/Ed.) !!!!!!!!!

CARBONIZED "FOR SECURITY" ... THRASH RECORDS...

Is this a hobby band, or is it a real "band" ?? I don't know anymore, since both Christoffer and Lasse got bands on their sides (Therion/Entombed)... But ok, Carbonized is back again !! This time with more psycho things than ever... This is totally something else than the "old" Carbonized, forget Au-To-Dafe and No Canonization... This is much better, and as I said much more psychedelic. Some of the tracks is: Hypnotic Aim, Euthanasia, Reflections Of The Dark, Third Eye... This album is recorded in Sunlight, so it's nothing wrong with the sound... It would be cool to see this band live, hope they will play some gigs soon. I really wonder what is up in your fearless brain Lasse ??????

FALLEN ANGEL "TRAPPED IN SIBIRIA"... OWNFIN..

Yo brother !! Time for the first thrashband in this record - views - FALLEN ANGEL, and believe me... This kick away both Mezzrow & Hexenhaus, even if it is not that original. Sometimes it's sounding just like Testament... The tracklist runs: Spectable Of Fear, ICE, D.f.h, Injection Overdose, Another One, Visions Of Terror, and the the outro Trapped In Siberia !! This record got one helluva great sound, it's good. I heard something about that they have signed with Massacre Records, I hope this is true !! Look out for this act in the future...

(They are non-profit/Ed)

IMMOLATION "DAWN OF POSSESSION" ... ROADRACER...

So... After 3 demos (88+89+90), IMMOLATION finally are here to crush your brain out !! Ok, the demos were great... But, this is even better. A lot of "blast" beats and fast parts is included... In tracks like: Into Everlasting Fire, Dawn Of Possession, No Forgiveness (without bloodshed), Burial Ground, Fall In Disease !! Sometime they reminds me a lot of Morbid Angel, but it's ok anyway. I really looking forward to their gig here in Sweden... GOD, THIS IS GREAT !!!!!!! The ultimate in Death.

GRAVE "INTO THE GRAVE" CENTURY MEDIA.....

Do you remember GRAVE, Which I had a interview with in issue 1 of MOULD ?? Anyhow, they have now released their debut album. 11 tracks of really brutal death music !! I must also acknowledge that they have develop since their "Anatomia..." demo. The album is recorded in Sunlight, but it's sounding quite different against many other bands who have visit that studio !! The tracklist runs: Deformed, In Love, For Your God, Obscure Infinity, Hating Life, Into The Grave, Extremely Rotten Flesh (From the mentioned demo "Anatomia..."), Haunted, Day Of Mourning, Inhuman... And at last a track called Banished To Live !! I now hope that every true soul on this chemicalistic earth will buy this Lp, I can promise that you wont regret it !!!!!!! "Into the darkness... Into the grave !!"

METALLICA "METALLICA" VERTIGO.....

Ha !! What a trendy vimp, huh !!!!! But, they are still the same old METALLICA !! (Ok, there are no fast parts on this one but, that's the only new thing !!). Here we can relax with trax such as: Sad But True, The Unforgiven, Wherever I May Roam, Nothing Else Matters, The God That Failed... ..And so on !! Lars can still plays the drums, even if it's quite boring that he never speeds up in any tune. (Metallica på Tracks, hahah !!!) Buy this one if you like heavy rock !!!! Am I insaine ?? LARS

Y&T "MEANSTREAK" .....  
AM RECORDS !!.....

Just kidding.... HAHA!

MALEVOLENT CREATION... "THE TEN COMMANDMENTS" ROADRACER.....

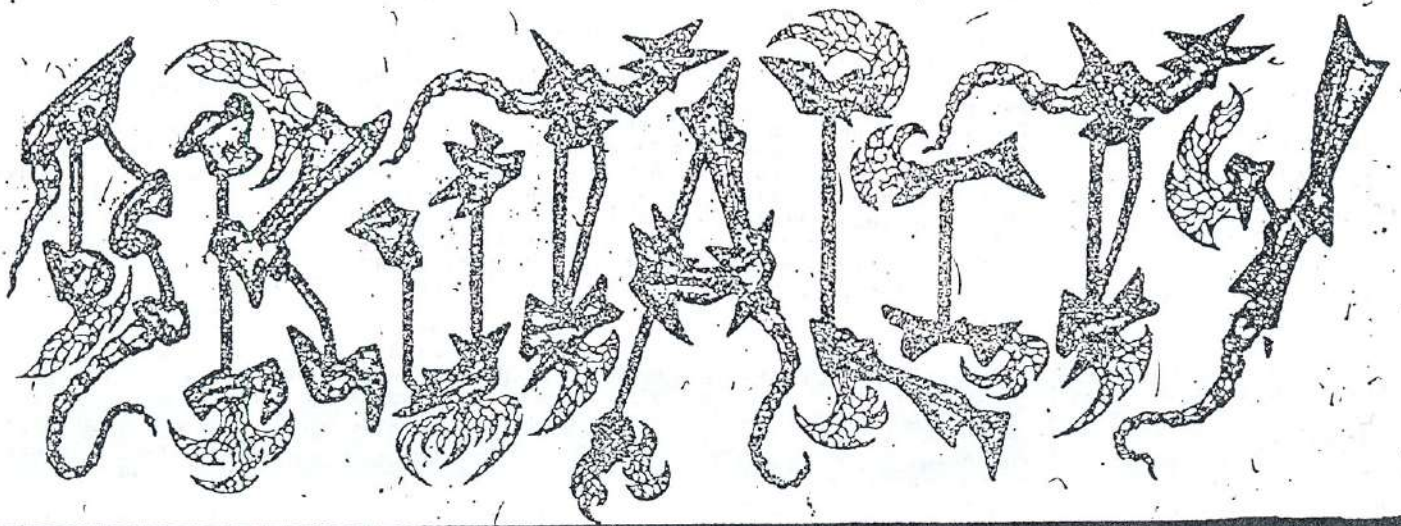

It was like hell what Roadracer is signing a lot of godly bands just now !! And one of them is of course MALEVOLENT CREATION, from the states. After 2 demos they have worked out 10 great songs, like: Premature Burial, Remnants Of Withered Decay, Impaled Existence, Thou Shall Kill, Injected Suffrage... +5 In my words, they play in the veins of Cannibal Corpse & Deicide. But with a voice who remind me of Kelly in Atheist !! This is absolutely one of the worlds most upcoming deathband jsut now. And I really hope that they can come over here to play soon, it would be great !!! SUPPORT THIS MALEVOLENT... ..CCCCRRREAAATTIIION

AT THE GATES (ADVANCE) "GARDENS OF GRIEF"... DOLORES RECORDS.....

Well, as everybody know... Grotesque have split up, and 2 of the members have started a new band called AT THE GATES. Anyshit, this is the adv. Of their forthcoming 12", on Dolores Records (Yes, the ones who also released the Grotesque 12" !!). This is 4 tracks of original and brutal death metal. "Souls Of The Evil Departed", "At The Gates", "All Life Ends"... And "City Of Screaming Statues" !! So if you take Atheist (again ?) with a lot of more creamy vocal, then you have At The Gates in a kasche (or was it kas-se ??)... Enough joking This is great, and it's recorded in Sunlight.. That is quite exceptionally these days, huh !! And they are also a very good live band, so you should not miss them if you have the chance !! So please CHECK 'EM OUT !!!!!

Well, after the last issue of MOULD, everyone know this band - BRUTALITY from Tampa, Florida (Usa). Since then they have released a new demo, a godly one recorded in Morrisound (where have I heard that before ??). There aren't so much more to say about this band, except that they're GODLY... If you want to know even more about this great band, please read this interview with their Drummer James Coker !!!

**TELL US WHAT HAS HAPPENED SINCE THE LAST MOULD INTERVIEW 8 MONTHS AGO ?**

-Well, alot has happened since then. We've recorded a killer new demo at Morrisound, that has 3-songs on it and it's a 24-Track recording. We have signed a demo distribution deal with Wild Rags Records for world wide distribution of the tape. And we have been doing alot of great shows with some awesome bands, we are getting alot more of exposure now and interest from major labels, things

are really looking good now for us, that's cool !!

**ARE YOU SATISFIED WITH THE NEW DEMO ??**

-Yes, very much so !! Jim Morris did an excellent job with us, and we are definately going to have him do the next release, hopefully an Lp !!

**WHAT SHOULD YOU SAY IF NASTY SAVAGE RAISE FROM THE DEAD... TO RECORD A NEW ALBUM ??**

-We are good friends with the band and I think that would be excellent, I love all the NASTY SAVAGE stuff. These guys are really cool, very good friends.

**HAVE YOU ACTUALLY SIGNED TO ANY HEAVY LABEL, YET ??**

-We are talking with some big labels now to try to get the best deal we can. But it will

definitely be a heavy label, we are really hoping to get a tour also, so keep on the lookout for BRUTALITY's debut Lp coming soon. (I can't wait to hear this shit on vinyl/Ed.).

**WHAT DO YOU THINK ABOUT THE TAMPA RECORD STORE "EASY RECORDS" ??**

-I think you are referring to ACE'S RECORDS, the heaviest record store in Tampa Bay. (Ok, I give up. I know nothing, I'm from Barcelona !!!/Ed.). Yes, BRUTALITY merchandise is on sale there.

**YOU ALSO HAVE A NEW LOGO NOW, WHO MADE IT ?? WASN'T YOU GLAD ABOUT THE OLD ONE ??**

-The old logo (look in Nr.2 of this ugly zine/Ed.) was cool, but we wanted something that was more professional. The new logo is temporary, because we

still want something a little bit easier to read, and alot heavier. But it was done by Ron Roberts, the guy did our demo covers and he is an excellent artist, he also did the Nocturnus logo. So, we are using this logo now until we've something better we can stick with and be satisfied with.

**RABARBER KAN VARA GOTT...ELLER HUR?**

-Sorry, But I do not understand this language, can you translate it for us next time.

**DO YOU HAVE ANY PROBLEMS WITH YOUR MAIL ? DO YOU ANSWER EVERY SINGLE LETTER ??**

-We get alot of mail and we do it all ourselves, sometimes it is expensive and slow, but we DO answer

## Where Borders Don't Matter

every single letter. Our fans are the most important, we're very sorry for the delays... Sometimes !!!

#### WHICH ARE YOUR FAVOURITE DAILY NEWSPAPER ??

-Well, I like my local paper, like TAMPA TRIBUNE and THE ST. PETE TIMES. But, THE WALL STREET JOURNAL is excellent too, very informative. I would really like to see one of Sweden's newspapers to know what's going on in other places !! (Don't worry, I have already

send him one/Ed.) (What do you like that one James ??/Ed.).

#### ANY LAST COMMENTS TO ALL THE READERS OF MOULD MAG ??

Alright folks,  
a other quite new death metal band from Eskilstuna (Sweden) is CRYPT OF KERBEROS. They were formed back in October - November '90, and contains these musicians: Johan-Guitar, Peter-Guitar, Crille-Vocal, Stevie-Bass...And Micke on Drums !! In my opinion, they are so unding just like Bolt Thrower. But their own fave bands runs: CREMATORY, GODFLESH, BOLT THROWER, AUTOPSY, FUNEBRE, (old) CELTIC FROST... Anyway, if you would like to buy their demo (1991) or 7" (Visions Beyond Darkness). Please send 5 Us\$ to this address:

#### GIG REVIEW !!!

INTOXICATE/REBORN/MEGA SLAUGHTER.....910309  
UNGDOMENS HUS, SOLVESBORG, BLEKINGE, SWEDEN, EUROPE !!!

5 hours at a train might be too much, but not to this gig !! Well, I meet INTOXICATE on the train...And some other thrashfans. Anyway...Well-being in Sölvesborg, we went to the concert hall. A big fucking suprise (or was it a joke ??): A small house with a one helluva small stage !! Sounds terrible...But it was pretty cool, I think. First out this evening were INTOXICATE from Gothenburg, they started with "Tango Of Nietzsche"...And my head began to bang !!! "Monomania", "C-For Yourself"...Ohh, They were just great, even without a bassplayer (yes, everyone should already know that they have kicked out Martin !!!). They also played some new songs, and it sounded too fucking tremendous...Yaha...I love it !! Next out-REBORN. Well, before this evening I didn't like them too much...But now they blew my head away, with a aggression of SADUS they put away tunes like "You", "Overdose", "Lapa Mussla"... Totally ripping-fast deathrash, GODLY !! I really looking forward to hear their next release, probably a new demo !! Last out on this gig were of course the GODS MEGA SLAUGHTER, from Gothenburg... With trax like "Blood Runs Free", "Raise The Dead", "Calls From The Beyond", "Bloodshed"...etc. They showed that they are totally one of Sweden's best death metal band live, and when Emil (Guitar) took of his T-Shirt (with DEICIDE), all the girls began to scream & shout..(HA !! HA !! HA! Just kidding, Emil). Because I think it was about 15-35 peoples in the gig-hall, not so much...Huh !!!!! Anyhow, after this gig....I got nothing to repent, this is absolutely one of the funniest, and most craziest gigs I have ever went to (Believe me)..... I really hope that this place stays alive, it would be cool to visit it some other time when it's a cool gig or something like that, hell yeazzzza i sol Please dudes & girls...Arrange more bloody gigs in this (should I say "Ghost") House, it totally rules beneath the crypts of the eternal rotting cadaver of hell !!! (Proverb from Zombia). By the way, don't forget to support these 3 bands. (Out now: INTOXICATE "Into Hibernation" & "Tango of Nietzsche" / REBORN "Demo 1990" (maybe a new one out soon) / MEGA SLAUGHTER "DEMO 1991" & "Calls From The Beyond" (Lp)

# DEATH

LALALAALILA....Hey, what's this ?? BAPHOMET !! Yeah, a quite new death act from Buffalo (Usa). They have released 1 demo ("Morbidity Reality") and 1 7" Ep ("Torn Soul")...And now they'll soon release their debut full length lp on Deaf Records, entitled "The dead shall inherit" !!! (Out now !!) They are very good musicians, so now i have made an interview with one of their members Gary Schipani....Over to it....

NOW WHEN YOUR DEBUT ALBUM "THE DEAD SHALL INHERIT" ARE OUT, ARE YOU SATISFIED WITH IT ?? DID IT TURNED OUT THE WAY YOU WANTED ??

-The LP will be out as soon as Peaceville sign some Distribution deals, they are working on. For the money we had, yes..I'm happy with the end product. There could have been a little changes, but it's alright !!

ARE YOU SATISFIED WITH DEAF AS YOUR RECORD LABEL ?? ARE THEY PROMOTE YOU ENOUGH ??

-It's hard to say until the LP is

released. If the distribution deals goes through, it'll be very cool.

I HEARD THAT YOU'VE RELEASED AN 2 TRACK 7" ON N.F.O. RECORDS ?? TELL US MORE ??

-Yes, we got the tracks (Torn Soul & Spectral Maniac/Ed.) from a 10 song demo we did for the record companies.... The LP is way better, the 2 songs are re-done on the LP !!

HOW MANY DEMOS DID YOU ACTUALLY RELEASED BEFORE YOUR DEBUT ALBUM ??

-We actually released 3, but only "Morbidity Reality" got out of Buffalo by us, and the 7" Ep also.

FOR A WHILE AGO, YOU HAD SOME VOCALIST TROUBLE...WHAT WAS THAT ??

-From the start in '87 there have been many line-up changes, because of shitty attitudes or members who were pussy-whipped !!

YOU ARE WELLKNOWN AS A VERY GOOD LIVE-BAND IN THE UNDERGROUND, ARE THERE ANY TOUR GOING ON ?? ANYWAY, TELL US HOW IT WAS TO PLAY WITH DARK ANGEL, DEATH AND SO ON ??

-Yes, i guess so...People write and say other bands, tell them that are a "Killer" liveband, that's cool !! They think that we try to put on a good show, not just stand there and look ugly !! Dark Angel and Death were both excellent shows, Overkill was an experiment by the promoter to mix 2 types of crowds, and we went really good with the Thrash crowd which was very cool !! Hell Yezzz..

ARE YOUR LYRICS REALISTIC ?? OR ARE THEY THE ORDINARY "SP-LATTER" LYRICS ??

-A couple of our songs are "Splatter", well not really Splatter, but Gore stories. Like "Torn Soul" is about Hellraiser and Animation of the dead. Others songs are more realistic, like "Boiled in Bl-

ood" is about uncontrolled anger, and leave the flesh about self mutilation.

IN A WORLD OF ORIGINALITY, WHAT DO YOU DO FOR SOUNDING ORIGINAL ??

-We do alot of quick tempo changes from one part to another, which alot of bands do not do...Most just flow !!!

WHICH ARE THE 5 BEST UNSIGNED BANDS JUST NOW ??

-I think, that: NORTICIAN/DEKETA/CENOTAPH/IMMORTAL TERROR & ANARCHUS are the 5 best unsigned bands, just now.

TELL US ABOUT A BAPHOMETIC PARTY...Gnarf, Gnarf... ??

-We are a good time at a party, the members of our band only drink. But we're blast to be with..

WHAT DO YOU THINK OF ALL THE NEW "FALSE" DEATH BANDS, SAYING THAT THEY'RE SATANISTS, INSTEAD OF PLAYING AND JUST HAVING FUN ??

-If that's what they want to do, that's up to them. It's the music that counts (i am totally on your side/Ed.), not what they believe in !!

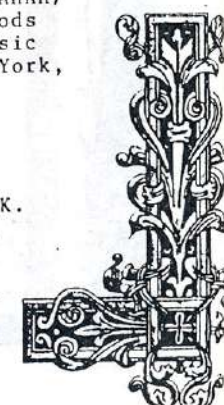

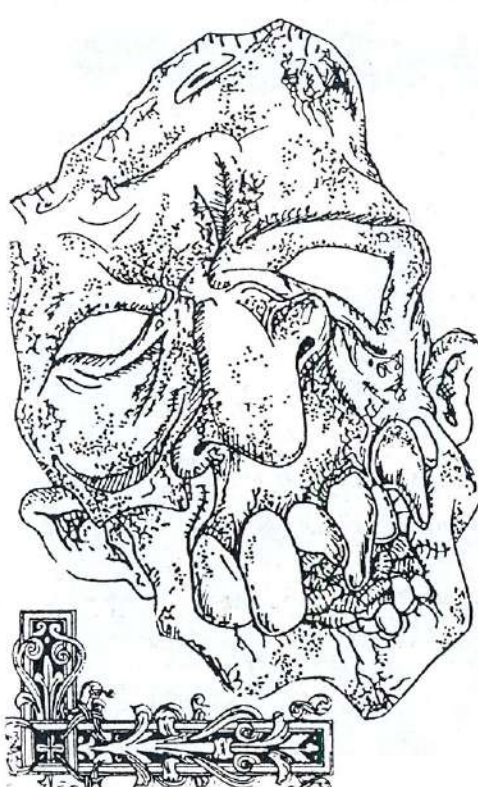

WELL GARY !! ANY LAST ADD ??

-Thanx for the interview, readers of this mag...WATCH OUT FOR THE LP "THE DEAD SHALL INHERIT" By BAPHOMET !!!

### THE NIGHTMARE CONTINUES!

If some of you remember the gig in Fagersta with Carcass 1990, there was an opening act called just BDA. And without lying to yaa, I can tell you that this is the same band. In April this year 1992, they recorded their debut demo "Mad Violence" in a studio in Dalarna, Sweden! It contains 6 trax, with a touch of hardcore, thrash, grind.. And also some Death Metal, here & there !! Some of the trax are really good, like the opening track "Morbid Lies", it sounds a bit like Terrorizer !! And another cool track is "Religion Sucks", and also the last track on this demo "Mad Violence" shreds... I don't know if this is a hobby band, or a serious band !! Why don't you write and find out by yourself, ok !! (The demo costs 5 Us bux)... Contact address :::::

BDA c/o U. LARSSON, SVEDJEV. 14 a,

Not far from Fagersta, there's a city called Avesta... Were this new and upcoming band UNCANNY hails from, last year they recorded their debut demo "Transporation To The Uncanny" in Sunlight Studios, Stockholm here in Sweden !! But now they got a new demo out, which is recorded in Gorysound in Finspång, Sweden. I have not heard that one yet, but the producer Dan said that it sound like the "old" Napalm Death. Anyway, their debut one sounded like brutal death metal shall sound, like Bolt Thrower, and yes, abit like Napalm Death too... That's sounds ok to me anyway !! So if you're into the new sounding death music, do not hesitate to write these guys. Use this address: UNCANNY c/o CHRISTOFFER HARBORG, MYRGATAN 10, S-77431 AVESTA, SWEDEN !! Pss. I don't know how much their demos costs, please write 'em for more information (Don't forget to enclose I.R.C. for faster answer, ok !!)... (Their line-up is: Jens Törnroos-Vocals/ Kennet Englund-Drums/Fredrik Norrman-Guitar & at last it is Frille Harborg on Bass...) Don't forget that the great band INTERMENT also comes from Avesta, I don't know any news about them... But I think that their demo 1991 is still for sale, ask Frille for add !

Ok...Let us continue this issue with another cool act, this time from Nokia (Finland)...**CONVULSE !!!** Formely known as S.D.S. A while ago they released a brilliant demo, called "Resuscitation Of Evilness"...4 trax of pure death metal. And now they have their debut album "A World Without God" out and available at Thrash Records !! So now I will proudly presents...**CONVULSE** live in interview !! Over to Jämä, Jani, Patti & Janne...

HOW'S IT FEELS NOW WHEN YOU FINALLY HAVE SIGNED WITH THRASH RECORDS ?? TELL US ABOUT YOUR DEBUT ALBUM "A WORLD WITHOUT GOD" ??

-OH YEAH !! It feels great. We can hardly wait to record the trax (It's done by now / Ed.) in the studio. We are very satisfied with THRASH, Pat (The Boss) seems to be very honest and hardworking dude !! I think our Lp will be release in September this year ('91) (OOJJ..That was months ago !!/Ed.). It might be out also on Cd, but this isn't 100% sure yet. The Lp will contain all the trax from our "R.O.E." demo + 5-6 new ones, like: "Blasphemous", "Incantation Of Restoration", "Infernal End"...etc..

HOW MANY DEMOS HAVE YOU RELEASED UNDER THE NAME OF CONVULSE ?? HOW MANY COPIES HAVE YOU SOLD OF YOUR LATEST ONE ??

-Only one, actually...Resuscitation Of Evilness, now we have sold it in over 600 copies (including free promo copies !!) world wide.

WAS THERE ANY OTHER RECORD LABELS WHO SHOWED ANY INTEREST IN CONVULSE BEFORE THRASH DID ??

-Yes...About 5 other labels offered a deal, I don't want to give out their names.

WHAT ARE YOUR LYRICS ABOUT ?? ARE THEY THE ORDINARY DEATHGROT LYRICS ??

-I don't think they are so ordinary death lyrics !! When I despite religious people, I try to do it with style. Not like: "FUCK OFF, YOU FUCKIN' BELIEVER !!". Sorry if I forgot to tell you what our lyrics are about. Our lyrics based on relationships between me and those true believers in my hometown. I am an real Atheist and I can't accept that religious knock on my door and say: "WOULD YOU LIKE TO BUY SALVATION !!"... Do I go to their homes and violate their domestic peace by saying: "LEAVE YOUR GOD, HE IS THE BIGGEST RIPP-OFFER I HAVE SEEN!" No...This isn't right at all.

TELL US MORE ABOUT THE TIME WHEN YOU WERE STILL CALLED S.D.S. ??

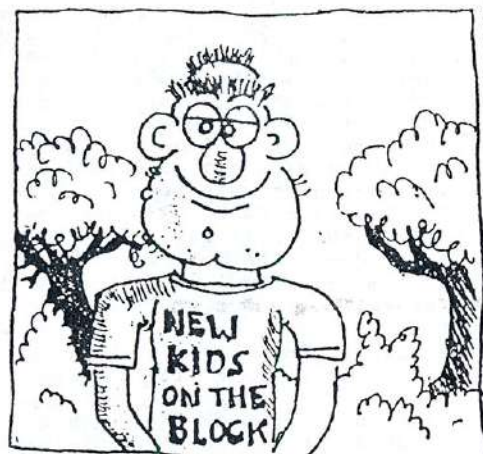

-There isn't so much to tell... Nooh... We played Speed metal & made two demos under the name of S.D.S. Is an abbreviation for Seven Death's Sins, what a silly name !!

DO YOU BELIEVE IN REINCARNATION ??

-Yes, I think so. I'm sure that life doesn't end with death. Death is only a new beginning of life. I hope so !!

ANY GIGS PLANNED IN SCANDINAVIA ?? NOW WHEN YOUR DEBUT ALBUM IS RELEASED ??

-Not yet. I hope our Lp help us to do gigs in scandinavia, but we have to practise alot, 'cause we are

not always so good live !! It would be great to play in Fagersta, over there in Sweden.

#### YOUR FAVE BANDS/ZINES ??

-Bands: Bolt Thrower, Paradise Lost, Xysma, Sentenced, Demigod, Gorefest, Black Sabbath...etc !! For zines, it goes: Isten, Axe, Nuclear Gore, Morbid, Death Vomit, Septicore...etc !!!!!

#### WHY DID YOU ACTUALLY CHANGE YOUR COVER ON THE DEMO, I MEAN...A NEW LOGO & A OTHER PHOTO ??

-Because the old logo was so ugly. We changed the photo 'cause we wanted some variation !!

#### IF I SAY: VOIVITTO TO A HOR

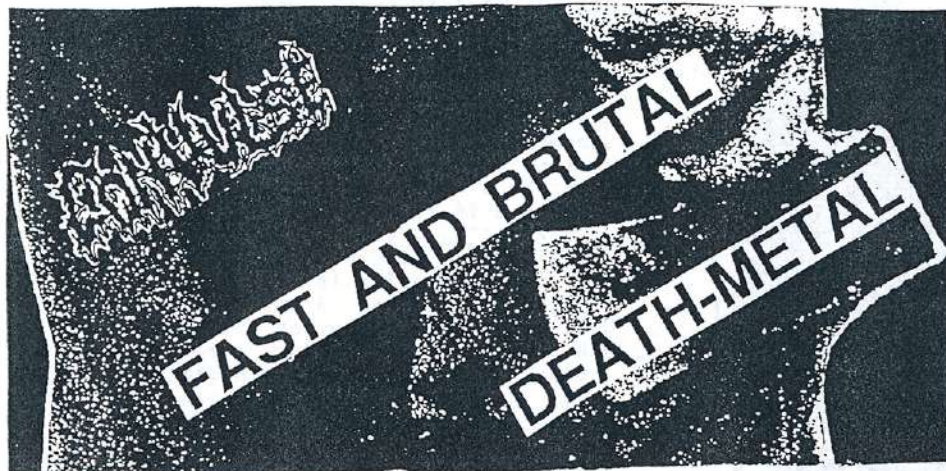

#### ...WHAT WOULD YOU SAY THEN ??

-Kasta vatten, du dum pojken !! (Hur gammal kommer du ifrån ??/Ed.)

#### ANYTHING TO ADD TO THE READERS OF MOULD ??

-Live in peace and support the real death metal scene. Order our "R.O.E" demo (4 Us \$ in Europe and 5 Us \$ overseas) and T-shirt (They are pretty raw/Ed.) through sending 14 Us \$ everywhere, both sides printed. Thank you Perra for the interview....Bye !!!!

Ok Rami and Convulse, thanx a lot for this interview. I know that every bloody soul on this earth want their address, so here it runs: CONVULSE C/O RAMI JÄMSÄ, HALIMAANT.6 D 29, 371 00 NOKIA, FINLAND !!!!! "A WORLD WITHOUT GOD, WOULD BE PARADISE !!!"...

#### CAN YOU BELIEVE THIS ??? ...YO !

A while ago I recieved a demo from the finnish band AGONIZED, and this was pretty strange..Because they played one helluva raw death metal with some kinda Carcass vocal !! And he (Jan) also tell me that they have split-up... So sad...But true. I really hope that they went back together again, because this was too great to leave !! Please write to Jan att this address: JANNE KINNUNEN, PIHTIKATU 5 C 39, 155 00

LAHTI, FINLAND !! (If you want their "Gods" demo, send 5 Us \$ to his add.) !!! Over to some heavy/thrash stuff from Örebro (Sweden) IMMORTAL DEATH...And their debutdemo "Beyond Darkness". This is really boring, no feeling at all...PUH !!! I really hope that their next demo will be better, or else they can leave the scene. Order this ugly tape for 4 Us \$, from: IMMORTAL DEATH c/o HENRIK DAHLBERG, VETEV.22, 703 76 ÖREBRO, SWEDEN !! Sorry, I can't found any good about this

heavy/thrash band. Maybe next time! Speaking of Örebro, the "Punk" scene seems to grow alot there. But I wouldn't ever dream about to recieved a Punk-demo...Before I did, a while ago, from the band CHARLES HÄRFAGER...And their demo "Svenske mannen ä'en fiskmås" !! Well, what can I actually say ?? I HATE PUNK ! This is maybe for FLOTZILLA, HYMEN, GRODPISS, FILTH NOISE and zines like that...BUT NOT EVER FOR MOULD, OK !! This is the only punkband I will ever write about in MOULD !!! ZZzz!

# Misanthrope

Now it's time for the band who hate people, with other words MISANTHROPE from France. They are pretty brutal, and have just released and split-CD with Torturer from Chile (Out on INFEST RECORDS). And here runs a interview with their vocalist & guitarist Philippe

## WHEN DID MISANTHROPE STARTED AS A BAND ??

-I created the band by an alone night of winter '88, I found the name MISANTHROPE and started to write the first lines of what will become our concept, our way of life: The Mis-

anthropy. I found an line-up in May '90, as a Gorethrash trio. After a few changes of members for a stronger power into musician technic, the current line-up was found in the end of '90. We are trying to play a new kind of Brutal Techno Death Metal with our own sound, that's why we are new, we're a step in avant garde in front of the worlds music. And that's good !!

## HOW MANY COPIES HAVE YOU SOLD OF YOUR 2 DEMOS "INDUCTIVE THEORIES" & "CRISIS OF SOUL" ??

-We sold 250 of that bull-

shit "Inductive Theories" Dec '89, it was just thrash very bad performed and recorded on a 4 Track studio. For "Crisis Of Soul" it's a other problem, we recorded it on 8-Track studio in June '90. We sold around 20 tapes and then I Re-Recorded the vocals and 2 solos and we mixed the whole, on a 4-Track studio in Sept '90. We sold 400 of that version and we (The current line up: David (Drums), Lionel (Bass), and me) Re-Recorded some parts and restored the rest of the trax, and we mix it in July '91, for a 1000 copy 7" series on WILD RAGS RECORDS. It'll be out in November '91, and believe me my friend it's ultra brutal and fast. But now we are really more into brutal techno death metal stuff, that's our evolution.

## TELL US ABOUT YOUR LATEST PROJECT, I MEAN THE SPLIT-CD WITH TORTURER...ARE YOU SATISFIED WITH THE PRODUCTION ??

-Well, we signed with INFEST RECORDS for a split-CD with the brutal techno death/thrash Gods of Chile TORTURER. I chose myself this band, because they are really killer, especially during the lead guitars, and of course brutal. I'm happy with our Cd production, in Feb '91 we made the pre-production of the 5 new songs and we recorded the songs on a 16 Trax studio in March '91 & mixed in April '91. We paid ourself the production and the Pre-production (3335 \$), that's why we need to sell a lot of the CD by ourself (Order it against 18 Us\$ to my mail box). We tries to found a new sound, crystal clear & brutal. I think it's the best way if you play sucha brutal techno death metal, as we do !!

## WHAT DO YOU THINK OF YOUR FRIENDS IN ASPHYX DEBUT LP "THE RACK" ?? WHICH ZINES/DEMOS ARE YOUR FAVES ??

-We are not really friends or penpals with ASPHYX, we tried to play with them in Houdain (What kinda city is that ?/Ed.) in February '90, just after our first demo release. At that time they had just to finish to record their debut 7" after 2 deadly demos. But in 1,5 year they progress alot more than us, the album is very good but it's not technical stuff & the production could really have been better. I hope they will contact us soon, because I'm sure that they will like the new Misanthrope stuff. We aren't amateurs anymore !!..... I really like good quality zines, like: Morbid Mag, Slayer Mag. But I also like good ones like Putrefaction and of course the mighty Mould... I liked Hellhammer's 2nd demo, Immolation 1st demo, Massacra's 3rd demo. And Torturer's demo, they are all killer bands, they created something.

## WHY DID WILD RAGS RECORDS RE-RELEASED YOUR OLD DEMO "CRISIS OF SOUL" ??

-Because Richard offered us a deal, with the "Crisis Of Soul" Sept. '90 version. I said

yes, but I will send you a restored version or else nothing. So we do this, it'll be a very good promotion for us. Because lots of people are interested in us and they need to know a lot more about Misanthropie. The distribution will be great too, so no problems we signed the contract. Our Brutal Techno Death Metal is diffused and we like to do our job of musician for the death metal evolution.

#### ANYTHING TO ADD FOR ALL THE READERS OF THIS AWFUL ZINE ??

-Thanx alot Perra for this deadly interview, continue to support the real way of death metal. Annihilate the wimps, posers & all the people into RIP-OFF into the scene, they are too many. And you readers, write to us, order our stuff (demo "Crisis Of Soul" for 7 Us\$/t-shirt for 14 Us\$/The split-Cd with TORTURER goes for 18 Us\$, all prices includes postage & packing), and death to your enemies. Don't forget this: NO VIOLENCE, LET THE HUMANS BEEN INCUBITE THEIR FATE BY THEMSELVES... PLEASE HUMANITY, FALL DOWN .....

All this zines are seeking for more underground bands to promote, please feel free to order (or bands, sending your promo stuff) any of this zines..... You wont regret it !!!

This time I have chose to start with an godly old friends zine, actually I am talking about Parton... And his zine ROTTING FLESH MAG Nr.1. After reading this zine a few times, I think that this zine is quite funny & good. There're great interviews with bands like: FALLEN ANGEL/EDGE OF SANITY/ARMORED ANGEL/CABAL + a few more !! But the interviews with GOREFEST/DESULTORY...etc. Are quite boring (just as the EXMORTIS/GROTESQUE interviews in MOULD 1) And there are no reviews at all in this mag But I really think that he can make Nr.2 much better, and the best thing with this zine is that it's a totally unprofessional underground mag... I like that very much !! I was born to read this kinda zines, please write to this God: ROTTING FLESH MAG c/o ANDERS PARTON, 49 GODFREY ROAD, ARTARMON, SYDNEY N.S.W., AUSTRALIA 2064, EARTH !!!!!!!!!!!!!

Ok Rookies, let us go on with another fresh underground zine. This time I'm speaking of DAMAGED INC. From Usa. (Editor: Ken Kurowski) I think it's his second issue, but I am not sure. Anyshit, this is

absolutely one of my fave mags. There are interviews with as well as known band as unknown, ex: OVERTHROW/TESTAMENT/TYNATOR/SICK OF IT ALL/SCATTERBRAIN/BAPHOMET + many more !! The interviews is very good, I think. And of course there is alot of demo/album/7" reviews as well. If you want to read a good and quality zine, please send 5 Us\$ to this married kid: DAMAGED INK. c/o KEN KUROWSKI, 9039 W.170TH STREET, ORLAND HILLS, IL.604 77, USA !!!!!!!!!

FEROCIOUS FEAST OF SLUDGY GUTS, PUS AND ... SLIMY SCUM 4 !! Well, what a zine. This is very funny to read & see, there're great interviews with: PIROKNESIS/GOREFEST/SEPTICORE FANZINE/IMPETIGO/AFFLICTED/AGATHOCLES and many more !! There are also alot of articles on unknown band into underground, it's pretty sad that he have stoped working on this zine. Because this zine was totally one of the most true underground zine on this fucking planet. I hope that his new zine (only satanic) DEMONIC CORPSE SEXUS RITUAL ZINE also will be one helluva reading. Please send 4 Us\$ for Nr.4 of SLIMY SCUM, to this true one: TOMMI KORHONEN, BRANDAMSB. 38, 424 36 ANGERED, SWEDEN !!!!!!!!!

Speaking of underground, from Chile hails a other cool zine. UNDERGROUND MILITIAS MAGAZINE !! Nr.2 is

the latest issue, and it's including bands like: GRAVE/HELL DEATH/TOXODEAD/NECRODEAD/POSTHUMOUS/PENTAGRAM, and much more. And even if I don't understand the language, I see this zine quite interested !! If you want to buy this issue, I hope that 3 Us\$ is enough to this address: UNDERGROUND MILITIAS MAGAZINE c/o NANAN, STA. ROSA 511, LA CALERA, CHILE !!! GUAAU !!!!!

Well, back to Sweden then. A while ago I received the fifth issue of PUTREFACTION in my mailbox, and what a surprise !! After 4 more or less ugly issues he returns with a more fresh one, and with a bit more professional layout. Also very funny and not boring interviews with godly bands like: BOLT THROWER (aquite long one)/DEMIGOD/MALAPHAR/AT THE GATES/MERCILESS (the knäppet so far)/OBSCURE/SADUS/UNLEASHED... + Many more !! There're also a few articles here & there, that's ok !! This is Swedens second best-seller zine, after MORBID !! So, if your band plays brutal death metal music.. Don't hesitate to write to this pal: PUTREFACTION c/o TOMAS NYQVIST, FINNINGV. 58 A, 645 42 STRÅNGNÄS, SWEDEN !! (If you would like to order it, please send 5. Us bux... READ THIS OR...)

Time for the novicezine ZINE OF SINS from Stockholm, Sweden !!!!! This zine is made by 3 girls: Isabelle, Catar-

Anyhow, inside you can find bands like: DISEMBOWELMENT/CRIPPLE/NECRONY/LOBOTOMY/MISANTROPHE/MORPEHEUS/DISEMBER/INVERTED/ETERNAL DARKNESS + Many more !! Do yourself a favor, support the few female undergrounders which is out there... Add: ZINE OF SINS c/o ISABELLE LARSSON, SELEBOV. 12, 122 48 ENSKEDE, SWEDEN ! (The front cover logo is made by Marco Gemmet of Damnatory !! It costs 4 Us\$... ORDER NOW !)

From the States comes a lot of great zines (it seems so.. Anyway !), and one of 'em is FEEDBACK FANZINE. I got the debut issue, and this looks fucking professional & good !! There are interviews with bands like: OBITUARY/ATHEIST/CANNIBAL CORPSE/SEPULTURA/GANMACIDE/NOCTURNUS/FORCED ENTRY/MORTICIAN... And of course some more + some honest reviews, as well. Maybe the layout gets too boring on a few pages, but who care ?? This is great, and it's yours through sending 5 Us\$ to this cool dude: FEEDBACK ZINE c/o JOHN ALMONTE, 2972 N. WISNER, CHICAGO, IL. 606 18, UNITED STATES OF AMERICA... My own world !!!!!

A very, very good zine from Denmark is VICIOUS MAG. This one is in the A4 size, and it's done by the cool mate Jens Christensen. Well, some bands then: Edge Of Sanity, Putrid (Now: God Forsaken), Alchemist, Cannibal Corpse, Benediction, Invocator x2, Autopsy...+ More !! (There's also a Swedish Scene-Report written by a zine-editor from a Swedish zine... I don't remember his name !! Uh)

Ohh... The editor of the old "ugly-looking" Suffozine, has now released a new zine called DWELLERS END. This time in the English language, and in the size of A4. Ok, this one is better than Suffozine. But not enough, I think. Bands: Inverted, Ancient Rites, Necrony, Unleashed, At The Gates, Malediction, Harvey Wallbanger + Some more !! Also some articles... And Tape slaugthing too can be found, pay 4 Us\$ for a copy of it: DWELLERS END ZINE c/o HARKUS RUDAHN, SKOLV. 7, S- 692 34 KUMLA, SWEDEN !! ????

Well, even France got a growing Scene... With a lot of bands and zines coming up !! A quite old, and true fighting mag from there is NECROBESTIALITY. Done by Le Guenic Yann !! The only problem I have when I read this zine is the language, it's written in French !!!!! So that's quite a problem, that's for sure. Anyway, interviews with: INSEMINOID, AMORPHIS, DARKIFIED, ALTAR, BELIAL, ICELAND... etc !! The Lay-out is pretty boring here & there. But even if I can't understand the language, I can see that it's quite good interviews. So if you're into the French language, you better order this one for 5Us\$ from this mate: LE GUENIC YANN, 21 BOULEVARD CORNEILLE, 29490 GUIPAVAS, FRANCE !!!!!

A strange (but ok !!) zine from Japan is NO LABELS. I recieved their third issue a while ago. It featuring bands like: Mekong Delta, Anacrusis, Kong, Deslok, Penetrator, Decomposed, Warmath, Spellbound...+ Many more !!!!! This must be the leading Underground zine there, I think. CITY, OSAKA 572 JAPAN !!

If the last one were a killer one, then this is NOT !! It's called CADAVER, CORPSE & BOWELS. It is written in German, and with a terrible Lay-out and text. Anyway, bands: Impetigo, Enslaved, Assück, Therion, Abruptum, Grave, Agathocles, Brutal Belch...+ Some dirty reviews/articles. I don't like this one too much, but maybe you do. Don't pay more than 4 lousy Us\$ for this zine, address: C.C & Bowels c/o ABOMINOC ALSLEBEN, O-7030 LEIPZIG, ALTENBURGERSTR. 14, GERMANY !!

Another dirty zine is DEATHMARE from Lithuania. I don't think that this one is a good one either. Bad printing, awful Lay-out, and so on !! Including bands: Hystéria GBC, Necroschizma, Funeral Nation, Hexx...+ More !! This one costs not more than 2 Us\$ (Do not pay anymore for it anyway !!). From: DEATHMARE ZINE c/o ARUNAS NORVAISA, 233031 KAUNAS 31, ZUVINTO 13-16, LITHUANIA !! Sorry !!!!!

# MOULD IN HELL

For the first time ever in MOULD an interview with a recordlabel, yes...It's time for the great 'ol (& be sure it's true) MOULD IN HELL RECORDS, and their boss Fredrik "Thurrequirre" Thörnqvist... Enjoy the first interview ever with this ultra-brutal label !! Hey Fredde !! What's up these days ??

-Hi yourself, Aaarrrggeelll bbaa-aarrrrrggeelllll. Everything is just great !!

## IS IT TRUE THAT JOHAN HAS QUIT MOULD IN HELL ??

-Well, he's been very busy with TIAMAT-work and all our work & ideas at M.H.R. Is kind of sleeping right now, so I don't blame him. I guess that TIAMAT is alot more important for him than this small label, don't you think so ?? (Ok Thurre, I understand/Ed.)

## HOW MANY COPIES HAVE YOU SOLD OF THE TREBLINKA 7" EP ?? IS THAT THE ONLY RELEASE ON YOUR LABEL, SO FAR ??

-We have sold 800 copies in black vinyl and 300 in red vinyl.

No it's not the only release on MHR, we've also released 2 compilation tapes named "HYMNS OF THE DEAD". I also released a newsletter with interviews with: CADAVER/BATHORY/ASPHYX/DECEASED/ZYKLON-B...etc. We have still ideas for some new releases, but I guess money is needed !! Besides MHR I have started a new magazine called 'HYMNS OF THE DEAD', so anyone can feel free to write me ! (Please fucking write to this dude, he's the one your mother was frightend for...Hehe !!)

## WHICH ARE THE 5 BEST UNSIGNED BANDS IN THE WORLD, FREDDE ??

-Hhu !! If we start in Sweden I guess AT THE GATES and DESECRATOR is two godly bands that should be signed, I think AT THE GATES have something in sight. And DECEASED from Usa is also Godly, should find a label. Hhmmm...Well it was a hard question, hey FURBOWL from Växjö is the best I've heard for years....NECROMANCY (Gre), ABHORER (Singapore)...Maybe !!

## I HEARD SOMETHING ABOUT AN RELEASE ON YOUR LABEL, A SPLIT 72 WITH THE BOTH GBG BANDS DESECRATOR & AT THE GATES. WOULD YOU PLEASE TELL US MORE ABOUT IT ??

-As I said both bands are Godly bands, and yeah we was thinking about it !!

## BY THE WAY, WHEN DID YOU & JOHAN ACTUALLY STARTED MHR ??

-I really don't remeber, I guess it was in the fall of '89 when Johan one day came up with the name and a few ideas how we should do. I guess we didn't understand it was such a hard work, so that's why we're not bigger than this today !! (Maybe you are bigger than you think/Ed.)...

## IS THIS ACTUALLY THE FIRST INTERVIEW EVER WITH MOULD IN HELL ?? WHICH ZINES IS YOUR FAVES ??

-Yezzzzz, this is the first interview and I really got shocked when I recieved it. AAAAAAarrrrrrggghl, SLAYER MAG RULES !! No one can ever do a zine as good as all mighty METALLION +++++!

## WHAT DO YOU THINK ABOUT THE SWEDISH MILITARY SERVICE ??

-You little sucker, next time I see you I will eat your brain out !! You knew I had been to the army (Lumpen) !! Of course it sux, but if I look to myself I guess I've alot of memories from that time. I don't know your age really, but I don't think your up to speak about it !!!! (I'm free from that shit, because I am a schizo.../Ed.) (Would you please stop call me Johnny/Ed.)...(No way Johnny/Ed.)

## DID YOU KNEW THAT YOUR NAME INFLUENCED ME ALOT WHEN I FIRST STARTED THIS ZINE ?? (ARE YOU REALLY ANGRY ON ME ??)

-Why should I be angry ?? That's nothing to be angry for. If you had named it -THURREQVIRRE DID LUMPEN !! Then I would have sent ya a box with a bomb inside. (Lucky me...Hihi !!/Ed.)

## ANYTHING YOU WOULD LIKE TO ADD TO ALL THE MOULDING READERS ??

-First thanx to you for the interview, really cool !!! And all of you death bangers just write me, and I'll write about your band, zine or label in my magazine, ok! HYMNS OF THE DEAD SHOULD BE OUT BY NOW....

# BOLT THROWER

Now the time has come to one of the worlds most brutal bands, of course I am speaking of the mighty BOLT THROWER from England... A while ago they released their 3 full length album "Warmaster" on Earache !! Yes, yes, I know that they also have released "The Peel Sessions 1988-1990"... And they have even played a gig here in Sweden, but the following interview is not made at that gig, it's made by mail with their bassplayer Jo Bench....

## TELL US ABOUT THE "WARMMASTER" ALBUM ??

-Well, we recorded the album back in September '90 at Slaughterhouse Studios. Where both Napalm Death & Carcass have previously recorded, with Collin "Jag-hör-faan-ingenting-av-vad-ni-spelar" Richardson co-producing. As you know, it's including 9 songs (and 1 extra on CD). The album has alot better production than the last 2 albums & there are less "fast bits" on it in general. It's the best BOLT THROWER stuff so far - So go out and buy it everyone !!!

## WHAT DO YOU ACTUALLY THINK ABOUT YOUR FIRST LP TODAY ?? DO YOU STILL LIKE IT ??

-Yes, I still like

it. I'm not one of those people who try to forget their earlier achievements, "In Battle there is no krukväxt" was good at the time, the production was pretty awful - though it was no fault of ours, but some of the songs are pretty good... But that was nearly 3 years ago, & I'm pleased to say we have improved, musically, a great deal since then !!!

## HOW OFTEN DO YOU REHEARSE ??

-Usually once a week, but when we need

more, like for to-urs, to write new material we do more...

## WHAT DO YOU THINK ABOUT THE OTHER EARACHE BANDS ??

-Well, I hate 'em all, they're all sh-it

Existence, Dark Millennium, Cenotaph... & Rebirth of Humanity !!

## WHAT ABOUT DRUGS... DO YOU USE THEM OR NOT ??

-We don't really need drugs, we are all pretty lively people without them. We don't hassle people if they do - It's up to them. But no, we don't use hard drugs... Who's next on that joint, hehehe !!!!!

Thanx to you Jo (Rolle rimm!!) for this shitty int. And all folks can write to her at this add: BOLT THROWER c/o JO BENCH, FLAT 5, 19 MILVERTON CRES, LEAMINGTON SPA, WARWICKSHIRE, CV32 5NQ, ENGLAND !! And please readers: Enclose a I.R.C. For sure replay !!!

WHAT IS PROFESSIONAL ??????OJ????? (Don't ask me ??/Ed.) !!!!!!!

## WHAT ARE YOUR LYRICS ABOUT ??

-Karl (Willets/Ed.) writes the lyrics loosely around war, all aspects of war & how it affects people mentally. They cover death, destruction as well as sanity & insanity with a definite warlike feeling.

## DO YOU TUNE-DOWN YOUR GUITARS, HOW MUCH ??

-Yes, we tune the guitars below concert-pitch to achieve a heavier sound over all. On "Realm Of Katastroftårta" we tuned-down to something like 6 below, which was pretty ridiculous, 'coz it just made our strings like Spaghetti, but on "Warmaster" we have tuned up a little to just 3 below & although we get a heavier sound, we've got more clarity by doing so.

## FAVE BOLT THROWER TRACK ??

-At the moment I'm really into the new "Warmaster" stuff... But off each album I would say: Forgotten

SOME MUSIC WAS MEANT TO RIP YOUR FUCKIN' SKULL APART!!

# ANTIDOTE

A good old true fighting thrashband from Vantaa, Finland is ANTIDOTE. Which has released a few demos during the last 5-6 years !! Now they got their debut lp out soon on Shark Records... And this is the first interview ever in Mould that I recorded live with the dudes in the band. So I'm sorry for the errors that shows up here and there... Hope you enjoy anyway !! Their line-up is : Nino Laurence(19)-Vocal/Guitar, Mika Arnkil(19)-Drums, Tuomo Louhio(22)-Guitar/B.Vox... And the bassplayer is Pete Peltonen(23)... Hey pals, let us start this interview with this ultra-crazy dudes in ANTIDOTE!

TO START WITH, CAN YOU PLEASE TELL US SOME HISTORY ABOUT YOUR BAND ??

-Ööööhhh... Yes I can.. Wait a second !! Well, me and Nino formed the band early '86. And that was when all the things started !!

WHEN DID YOU RELEASED YOUR FIRST DEMO TAPE ??

-1988 or '89, it was entitled "We'd Like To Sing"... Yeah ! It didn't matter, because we didn't knew anything about selling demos and stuff like that. We didn't knew a shit about the Underground !!

DID YOU SELL ANY COPIES OF THAT ONE, OR ANY OTHER DEMOS ?? HOW MANY DEMOS HAVE YOU ACTUALLY RELEASED ??

-Not any copies of that one, the only demos that we have sold out to the public is "The Epoch Of Insanity" & "Spaced Out". And a few ones of "The Return Of The Acrossive One Art Charrector" demo. We've actually released 4 demos !!

AND NOW YOU WILL RELEASE YOUR FIRST LP, WOULD YOU PLEASE TELL US ABOUT ALL THE DETAILS?

-Yes, in January (By now/Ed.) on Shark records (Germany). It'll be distribute by Sonet, or else maybe Boss of Black Mark Production will handle it. It's not sure yet !!

YOU SEEMS TO BE A GOOD LIVE BAND, HAVE YOU PLAYED MANY GIGS ? WHICH BANDS HAVE YOU GIGGED WITH ??

-Not so many, maybe 15, or something like that since we started !! Oohh... Shit, we've played with: PRESTIGE/STONE/PROTECTED ILLUSION... etc. All the kind of bands !!

WHAT DO YOU ACTUALLY THINKS ABOUT DEATH METAL ?? FAVE BANDS ?

-DEATH METAL !!! Well, it has become a little trendy. But I like death metal, it's in the

limits !! Fave ones: Napalm Death/Bolt Thrower.. Yes... Entombed is good, but I prefare the English bands.. Y'know !!!

YESTERDAY IT WAS A PORNO-MOVIE ON FILMNET HERE, HOW IS THE SITUATION FOR PORNO IN FINLAND ?? WHAT DO YOU THINK ABOUT PORNO-MOVIES ??

-The porno-movie was just great, unfucking believeable !! Porno is the sults of life. The censorship in Finland is so fucking tight, FUCK 'EM !!! Unbelieveable movie... Traci Lords, hhm!

HOW MANY BEERS HAVE YOU BEEN DRINKING SINCE YOU LEFT HOME (FINLAND) ??

-Hahaha... You can't count 'em !! It is an amazing count. Do you mean me or the whole band ?? (The whole band/Ed.)... Uhh, hundred is not enough !! Pete was abit drunk on stage yesterday, but he could play anyway.. So who cares ??

TANKARD ARE QUITE INSPIERATED BY WRITING LYRICS ABOUT BEER ?? WHAT ARE YOUR LYRICS ABOUT ??

-No, no, no.. No beer in our lyrics !!!! We write about some political stuff, killing, shredding... And all that stuff. And then we are inspired by movies, pervese things... Kinky stuff, you know !! Absolutelly no beer in the lyrics.

WHAT'S YOUR FAVE BANDS, THEN ??

-Don't know, IRON MAIDEN/RAMONES/NAPALM DEATH/QUEENSRYCHE/MEGADETH.. We listen to all kind of music !! (Do you like Disco ??/Ed.) -Whaa... Fuck it !! Fucking AAA... No I hate Disco.

WHICH STUDIO DID YOU RECORD YOUR FORTHCOMING LP IN ??

-It was in a studio called RASH STUDIOS in Germany. The same studio as MASSACRA has used (you know the ones from France !!). It was a really good studio, great producers and so on. Very proffession-al.

DO YOU KNOW ANY OTHER BANDS ON SHARK RECORDS ??

-Yeah !! Well, MASSACRA is. And then there's PHANTOM, which are set to be released pretty soon !! Very good stuff. And then there was SEPULTURA on their "Schizophrenia" album. Ohh, Shark also got THANATOS... And some more, I think !!

DO YOU LIKE TEQUILLA ??

-Tequilla... Hoo, great stuff! It keeps us warm inside.. When you're standing outside and freezing 'til death, and you're taking a Tequilla then you begins to feel great... Believe me !!

DO YOU THINK THAT NAPALM DEATH IS DEATH METAL ACTUALLY?

-Well, maybe the latest record "Harmony Corruption" is more Death then their previous ones. But it's sad to hear that Mick Harris left the band... Because he's the fucking God !! Shit... And still "Barney" is the best singer in the world. (When did "Barney" began to "sing" ??/Ed.).

HEY MIKA !! GILLAR DU BLOMMOR ??

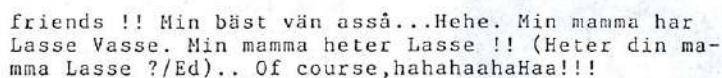

-Jajaja.. Jag tycker om blommor jag ! They är mine best

**NAPALM**  
**MAG**

**5/6**  
**Bjarke Ahlstrand**  
**Brandholms Allé 26 F**  
**2610 Rødovre**  
**DENMARK**

-Ohhahaha..Well,there was sandwiches & coffe..Ok !!  
Everything we need was there !!! (But where were the  
beer ?/Ed)... On the table,y`see !! But I got one  
PRIPPS,that`s horse piss,you know. (Huu..Terrible/  
Ed)... Hey,now I got Tequilla that`s my second  
breakfast !! At home,my fave beer is Koff (it`s God)..

-The Gig..Well,there was too few people,only something like 50-75 peoples...Not too much !! And the drums (sorry Anders) were fucking awful,you can't play a good gig with only one little Tom on the bassdrum !! We got only 500 Swedish crowns,that was only for the trip...That's ok !! But still there was very fun to play,of course !! We made too many mistakes.our last gig were 4 months ago from now.

-Oh shit !! (GuitarTuomo shouts: AMBER LYNN !!),  
yeah Amber Lynn...But I prefare dark ladies,brunnettes !! Of course I like to watch on blond girls  
naked too,but I love brunnettes. Fuck `em all,if  
it's female !! Personally I don't like homos (Not  
me either/Ed)...It's kinda filthy.

-Well I think it was pretty sad !!Because they could have been famous,and because that I've played in Abhorrence. We did a few gigs and so on,I was not featuring on the demo. But I was mentioned to play the drums on their 7",but something went wrong in the last minute...Y'know !! That was not so long ago actually. So back then I split ANTIDOTE and joined ABHORRENCE,but that was not so funny to play Death metal all time...So I called up Abhorrence guitar player Tommi,and said that it's over now. And then I reformed Antidote...That was the best thing I have done.I have never regret that !! Puh...

-It's great !! But it's hard to say if they are original enough too break through,because sometimes they reminds me of MEGADETH & TESTAMENT and so on ! They are great musicians,and a good singer,so I do not see any problems for them to go on further.

-Yes we are !! Even if there's a band in England who is named Antidote. It's ok, we don't care !! We can always add Finland to our name (then it would

TELL ME THE 3 MOST IMPORTANT ARTS IN THE WORLD ??

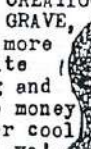

-At first Porno & Sex (No doubt about it !), the second thing is Music...And the third most important thing of Art is: The art of drinking !! They are absolutely the 3 most important artforms in the whole fucking world...

-Yes, the mighty Gods of N.O.E.Panic !! Well, the band were formed back in the summer of 1990 by me & Tommi of Abhorrence (who nowadays plays in Amorphis !). We've released 2 demos, and we plays a new kinda music called BRUSH CORE. We'll not do any gigs, but maybe a record some day !! No, I don't think so either, just only demos...No record !! Well Perra, now I got a question for you: What Do You Think About Kenta's Trousers ?? (I think they are stinking, quite awful.. But it's not the first time that he forgot his trousers or jackets here, all I have to say is: KENTHA IS KENTHA.../Ed).

-So, MOULD MAG readers: Be prepared to buy the debut album "The Truth" by ANTIDOTE in January 1992 from Shark Records !! Beer for nations, so goes also for Tequilla & Hård Porno...Hehe. And thank you my man for this interview, it's the best Antidote interview so far !! I am satisfied...Please continue to do such a live`views...This one was really enjoyable !!!! Good night & thank for the time here in Sweden, hope to see you soon....

Yo Mika and all the dudes in ANTIDOTE...A godly thanx for all the answers !! I was having a great bop when you where in Sweden...Hope to see you soon again. # NECRONY

Hello there necromantic lovers, time for the ultra original (Carcass rip-offs.? Haha/Ed.) grind/death band NECRONY from Örebro, here in Sweden !! The malignant pustule is of course their bass-mangler Anders "Du har en långrock" Jakobson !!

## HOW DOES IT FEEL TO BE Ö-O'S ONLY "REAL" DEATH/GRIND BAND ??

-It feels a bit lonely in some way. The scene around is more centralized on thrash & punk (nothing really wrong with that !), but it's kinda bad that there is not any other death/grind band in Örebro. We can only hope that the gigs with Entombed, Morpheus...etc will make something for the musicians around !!

## TELL US ABOUT YOUR FORTHCOMING 7" EP ?

-Well, it contains 2 new songs that are much better than all of the demo songs. It's recorded in Finspång (Ohh...You mean Morris..Upps...GORYSOUND !!/Ed.) and will be released by a new German label called POSERSLAUGHTER. Other releases on this label is 3 7" with the German bands: DEAD (Death Metal), MANOS (Grind) & PATHOLOGIE (Grind). I think our 7" will be out in November and it'll be pressed on yellow vinyl ! The Swedish buyers will get a surprise with the 7" !!

## WHAT DO YOU ACTUALLY THINK ABOUT THE SWEDISH UNDERGROUND SCENE ??

-This is a very hard question to answer. It is fucking great and quite bad at the same time. The great part is the original bands like: THERION/AT THE GATES/TRIBULATION/TIAMAT/MARDUK/PANTHYMONIUM/OMNITRON/EDGE OF SANITY...etc. And the bad thing is that there's a lot of bands that record something in SUNLIGHT and it sounds like everything else (especially the sound). Another bad thing is that there isn't any REALLY good death metal zine here. Okay, Morbid Magazine is good, but the interviews...etc, are just too old & so.

## ANY GIGS COMING UP ??

-No, I don't think so. It's a bit sick, we have made one demo & 1 7" but we haven't played a gig yet !! We're just too shy. When the time is right - We will play live !!

## HOW HAS THE RESPONSE BEEN ABOUT YOUR DEBUT DEMO "SÖREN MANGLAR PUSSEL", SO FAR ??

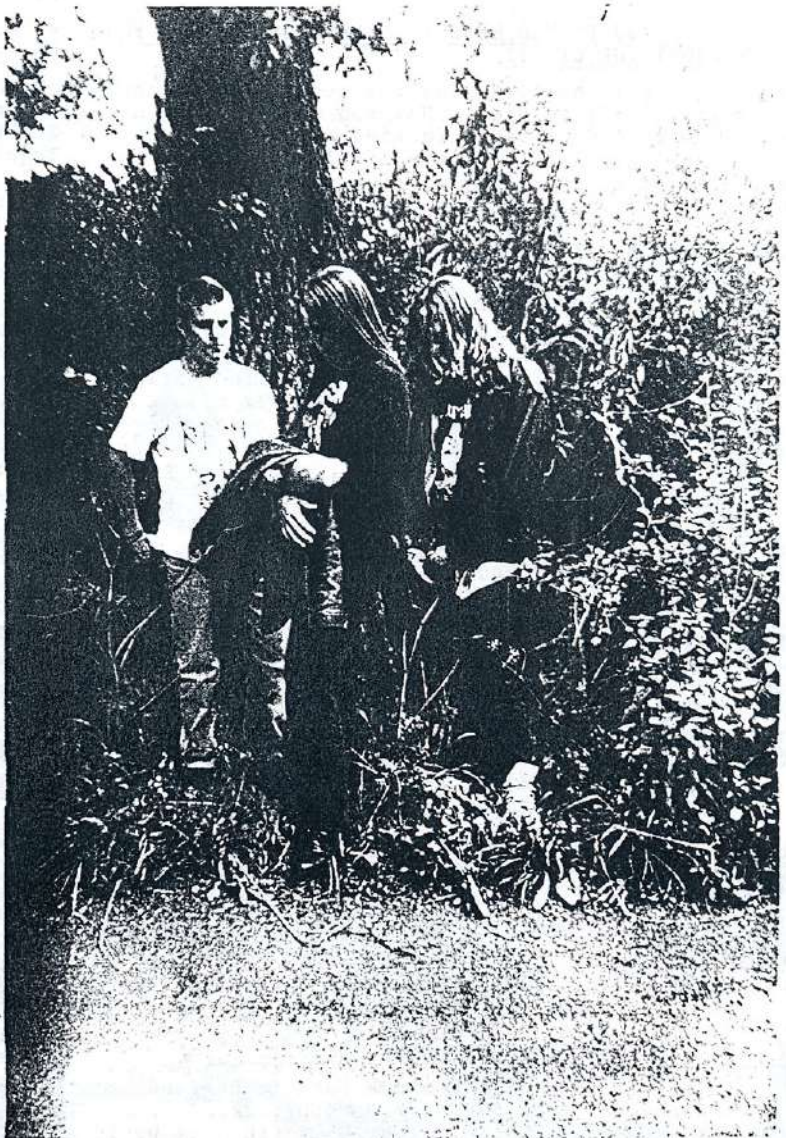

-Really good ! We get some bad reviews, but most of the people seems to like it. We've pressed 600 copies and it'll be available as long as the orders drops in. Some people thinks it sounds too much like Carcass, but we think it doesn't sound like Carcass as much as we wanted ! The lyrics are not like Carcass, our lyrics (on the demo) is boring and bad. On the 7" the lyrics are more Carcass:ish !! Got it..?

## TELL US SOMETHING ABOUT YOUR HOBBY PROJECT ROUTE 9, AND MAYBE SOMETHING ABOUT YOUR ZINE HYMEN ?

-Route Nine is the remains of Masticate (which was featured on the Demo reviews in Mould Mag 2 !). The band consists of myself on the drums and Dan Swanö on strings & vocals. Our main goal is to create original death metal without losing the power & brutality... Hymen is going okay, Nr.3 is still available. 60 pages (written in Swedish) with interviews with: SUFFER/AFFLICTED/CARCASS/FZÖ/TRAUMATIC & other Hc/Metal bands. 10 Swedish crowns + postage. Nr.4 will be out soon with new lay-out, different bands and other stuff...Be sure !!

Continues on the next fucking ---

# ANY PROBLEMS ??

-Well, there will maybe be a little problem with NECRONY but I do not want to talk about it now, ok !

# ANY LAST ADDITION TO THE READERS ?

-Thanx for this (short) interview, finally I'm featured in your underground zine MOULD (Your welcome, Ed.) !! Buy our demo for 25 Skr/ 5 US\$. Our 7" & T-Shirts will be out soon, but i don't know the price yet !! Finally i have to say that Carcass third album will be the best ever. (Well, one of the better /Ed.). I've recently got 2 new songs on rehearsal and they are so original & cool.. Human Jigsaw !!! Well, contact me (with IRC/Svarsport to thanx !) on this address: NECRONY c/o ANDERS "NR. BROWNSTONE" JAKOBSON, SKOGALUNDSV. 2, S-702 21 ÖREBRO, SWEDEN !! Thanx for the showed interest, Perera. Good luck with Mould & Smurfer.

Hell below my friends.. That was it for this time with this ultra-band NECRONY. And thanx Anders for all the answers (maybe they were a bit too few,, sorry !!)... Maybe they now got a new guitarist in Jimmy from the deathband ALTAR, I do not know for sure yet !! But I know for sure that you can always drop Anders a letter or 2 (Do not forget the IRC).. Support Necro !!

From Nürnberg in Germany hail this band called DEAD ! They have released 1 demo, entitled "Far Beyond Your Imagination"... 4 Trax of Death metal, in the vein of: Bolt Thrower/Nihilist, I think !! Anyway, now they got a 7" Ep out soon on Poserslaughter Records (I have heard the Advance of it, and I dig it much more than this demo) But if anyone would like to order this piece of tape, please send 5 US\$ to this one: UWE STOLZE, NORDRING 206, 8500 NÜRNBERG 10, WEST-GERMANY !!! You can also hear DEAD on the Swedish comp. Tapes "Hellslyland" & "Gory Meatball"!

This is my hometown deathsters ALTAR (above the cover of their debut demo "No Flesh Shall Be Spared")... This is a brutal 4 track story, and it's all recorded in Gorysound Studios, Finspång, Sweden! Produced by Dan Swanö... Personally I think I can hear a touch of Martin V. Drunen in the vocals, but the music is quite original. This must be one of the best debut demos last year, together with Plutocracy's & Lubricant's. Maybe some of you are interested in their lineup, so here it runs: Äinar (alias, Magnus) - Bass/vocal, Jimmy - Guitar... And the last member in this trio is Frille on drums !!!!! Please order this very promising debut demo by sending 5 US\$ to this dude: JIMMY LUNDMARK, KJELLINGATAN 26, S-692 38 KUMLA, SWEDEN !! Or to: ALTAR c/o FREDRIK JOHANSSON, CARLENS VÄG 20, S-692 72 KUMLA, SWEDEN !! (For only info. Please include IRC)

NO FLESH KJELL BE SPARED!  
BARA KLAS-OLOV WILL BE

BÄRD....

Everybody into Underground must have seen the Godly flyer of DAMNATORY from Naters, Switzerland !! So did I, and when I later recieved their debutdemo ... I went insane !! Brutal fucking death metal with a touch of originality, yo !! 4 trax and Intro+Outro... This band will also release an 7" Ep soon (but i don't know on which label ?), and I must say to all of you: Support this band !! Make sure to send 5 US\$ to this address: DAMNATORY c/o GEMMET MARCO, DAMMWEG 15, CH-3904 NATERS, SWITZERLAND !!! By the way, I think that the demo title is "The Persistence Of Archaic Dogma In Contradiction To The Traceable Basis Of Subsistence By Churchwardens Into Theosophy Veils The Virtual Ulterior Motive Of Clergymen !" (What a title, huh !! It was better in the 'ol times, when it was easy to r-ber)

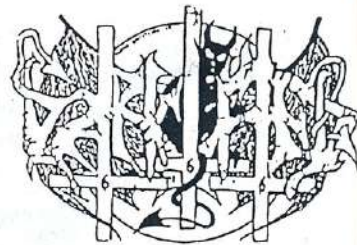

A growing death act from Australia is DISEMBOWELMENT. They were formed back in October '89, by Paul (drums) & Renato (guitar/vocal). After the frugal debut demo "Mourning September", they are now back on the streets again with their new one "Deep Sensory Procession Into Aural Fate". This one is much better compare to their first demo. Anyway, this demo contains 2 songs "River Of Salvation" & "Burial At Ornans".... It starts with a Godflesh sounding intro, then it goes over to some fast/slow death metal parts !! Just great... Their line-up today are also including bassplayer Jason Kells !! The only thing that I must complain on, is: The sound could have been much better. I hope that they fix it until next time, ok !! About their influences, they seems to be a very open-minded band. With fave bands such as: THE MISSION/CREMATORY/TROUBLE/RUSH/SONIC YOUTH/THERION/GRAVE/ALLAN: HOLDSWORTH/PARADISE LOST/CULT/EDEN/ASPHYX...etc.... If it sounds interesting to some of you, please order their demo through sending 6 US\$ to this address :

Hallefuckinglylulyyya...The pioneers of death metal - POSSESSED, are back on the streets again. This time with a demo, and this is what bassman Bob has to say..Now listen up: - For the past year, Mike and I have been working on completing the line-up. We played with alot of people who don't work out because of various reasons. 2 months ago we completed the line-up again. Currently, the band is made up of: Mike on Guitar/vocals, Mark on Guitar, Walter on Drums...And myself on Bass. -Walter was only in the band for 3 weeks when we recorded our new demo. The recording went really good. Recently, we got the tapes from the company that duplicated them. In 10 days, we sold 80 tapes. Not too bad! -At the moment, the new songs completed are: "Re-Possessed", "Blood Of Blood", "Human Extermination", "The Seventh Sign" & "Over Reality". But we're still jamming on some of the older ones, like: "March To Die", "Holy Hell", "Swing Of The Axe" & "Burning In Hell" (Satan, this sounds cool/Ed.) !! -A few labels have shown interest in us..We'll see where it ends, please write to us at: POSSESSED c/o BOB YOST, 2991 SIMAS AVENUE, PINOLE, CA. 945 64, U.S.A !!!!! (Let the good times death...HEHE !!)

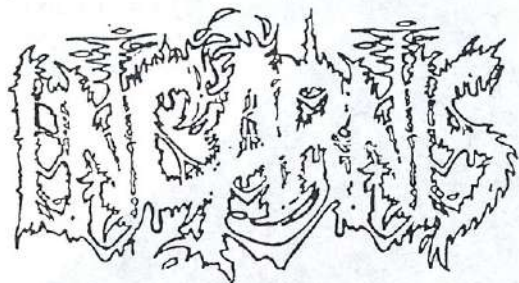

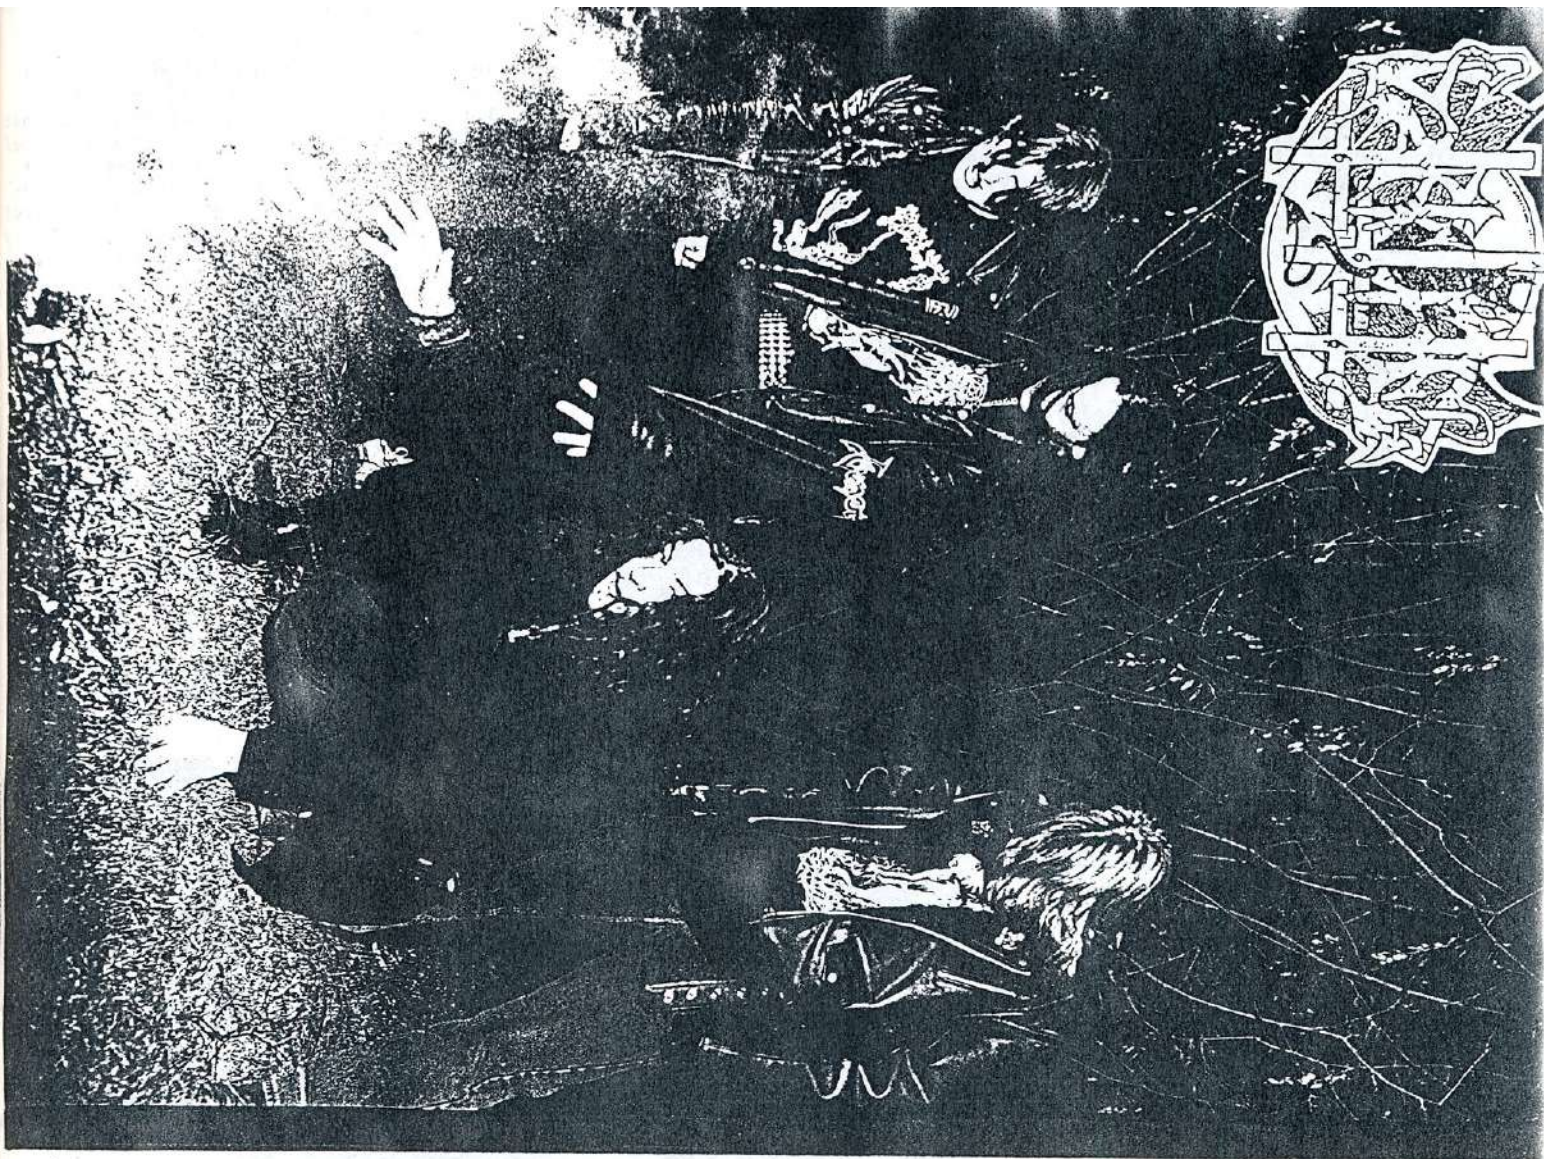

DARKIFIED, what a name ??? Well, I do not know if this band is a full-time band or a hobbyproject. But I think that they don't know it themselves either !! But after hearing their demo "DARK", I got pretty suprised.. Good songs and a very brutal, but good vocal !! The intro + outro on this demo is lemonade...GODLY !! I can also tell you all that this demo is recorded by Dan Swanö (Edge Of Sanity) in his studio Gorysound Recordings. So the sound is very loud & clear. The members are all of them hailing from other bands, like : Diatribe/Trimad Ren/Crimorium & even from the black band HARDUK ! Of course I am speaking of the fantastic "Finspång-Norrköping" scene here in Sweden, there each member are a member of at least 5-137 bands. Quite marvelous, huh !! But if you wanna buy just this demo, please send 4 US\$ to this incredible dude : JOCKE GÖTHBERG, STENGÅRDSVÄGEN 13, 614 00 SÖDERKÖPING, SWEDEN, URSKOGEN !!!

Time for some necro-rotten death metal from Usa again , of course I am speaking about the upcoming band PUTREFEST from Buffalo. Well, over to some important information: Back in 88 Dennis John & Rick Ziegler started a band called MAYHEMESIS. Dennis and Rich were formerly in a band called TIRANT SIN (which later became CANNIBAL CORPSE), MAYHEMESIS was a thrash/death band and played many shows with bands like : SEPULTURA/LOSS FOR WORDS/CANNIBAL CORPSE/DEVASTATION/DEAD BRAIN CELLS/FAITH OR FEAR & INTRUDER. But, in Feb '90 the band came to a crossroad, and split into 2 bands. The two guitarists and drummer left to form a thrash metal band. Dennis & Rich kept the name MAYHEMESIS, but now the music was Death metal. Shortly there after, Eric Wilhelm joined as guitarist. And months later, Dan Nelligan joined as drummer. The new unit was complete !! Then the band decided to change their name, so in Nov. '90 PUTREFEST was born. In March 1991 they released a rehearsal demo. A studio demo will be release soon (probably out now/Ed.), PUTREFEST has shared the stage with bands such as: BEYOND DEATH/VILE VINDICTION/OBSCURITY/PHLEGM/IMMORTAL TERROR (New gods of Brutal Fucking Heavy Death Metal /Ed.)/GROTESQUE INFECTION/INNERSANCTUM/MALHAVOC. And in July 1991 they played at "BUFFALO DEATH FEST" together with bands as: REVENANT/MORTICIAN (Read the interview for god sake/Ed.)/ROTTREVORE & IMMORTAL TERROR + many more !! Some of PUTREFEST's song titles include: "Stenching Piles Of Mangled Death", "Chainsaw Episiotomy", "Dismembered", "Shriek Of The Half Digested", "Exploding Blood Vessels", "Devoid Of Flesh", "Neck Deep In A Meat Grinder"... A quote from LATE AT NIGHT magazine: "Make no mistakes, these guys are brutal and will get a record deal" !! So babies, please write to these gory dudes at this add: PUTREFEST c/o DENNIS JOHN, 19 LUDINGTON STR, BUFFALO, NEW YORK 142 06, UNITED STATES OF AMERICA !!!!

From Virginia, Usa hails the pretty unknown act INCARNIS !! They play brutal death metal in the veins of Autopsy, Nihilist (Swe) and also a little touch of Morbid Angel can be found here & there. For about a year ago they released a 3 track live demo with the trax: "Cranial Collapse", "Unholy Gore" and "Dining In The Morgue". This tape is quite good, so I really looking forward for their debut Studio demo... Hope it's out soon !! The last time I heard from them, they had some problems with their drummer. I hope that they have fixed a new one, please write 'em for more info. At this address: INCARNIS c/o RYAN MULDOON, 5717 HENDRIX DRIVE, VIRGINIA BEACH, VA. 23464, USA !! (Enclose an I.R.C.) !!

### WHAT A FUCK DO YOU WANT ??

The Polish scene seems to grow alot just now, a band who really deserved a contract, was as you all know VADER... Which now is stabled on EARACHE in England !! Anyway, a new n'upcomming band from there is VEHEMENT THROWER. Which work hard to promote their band, they send me their latest opus "Worm"... I can tell yaa that it was quite noisy to my ears,

but what a fuck ?? They started back in '89, then called EXHAUST DEATH. Aaaaahhhh... Buy their "Worm" demo if you aint got nothing better to waste your money on, it's on sale for 5 Us bux from their management and promotion label, add : GRZEGORZ FIJALKOWSKI, 06562 WYSZYNY, WOJ. CIECHANOWSKIE, POLAND !!!! A brutal band into the satanic stuff, is another polish act called SIGNUM SALOMONIS, their "Absolute Evil" Rehearsal is out now, also they seems to have their debut demo out now under the name of "Night Of The Satanic Sentence" !! For more info, send an I.R.C. to this dude: ROB "SATANIC BUTCHER", UL. POLWIEJSKA 30/17, 61 888 POZNAN, POLAND !!! From France hails a anarchististic band called EXECUTION, they play some kinda Thrash core. A new hard-working band from Norway is ALGOL (ex: BUTTOCKS), last year they played in Strömstad here in Sweden with Merciless, Dissection, Nega Slaughter...+ Some more !!

Interested in heavy death metal, then maybe NOCTURNAL RITES from Umeå, Sweden is something for yaa !! They formed for about 2 years ago, by Fredric (Guitar, Vocals) & Tommy (Drums). Back then they called themselves NEGROHOMIC !! Of course they were more members than just these 2, but they had no complete line-up, ok !! After a couple of months they found a bassplayer in Nils Erixon, so now they were a trio. They rehearsed intensively for some months, and then Tommy (the Drummer) asked a friend of him who runs a studio, if NOCTURNAL RITES could possible record their demo there... And of course he said yes, no problem !! And "The Obscure" demo was a fact !! It was recorded in July 1991, but it wasn't released until October. But as their bio tells: -These guys have a capacity to always detain

things !! The demo enclose 3 trax of heavy death metal... If you are interested to buy it, send 4 Us bux to the address at the end of this interview... Got it They also played a gig in

Umeå with Unleashed, under 19-91.

In December last year, another guitarist joined the band, Christer !! And now I can definitely tell you that their sound must be even more brutal.

And if some of you wonder what these guys

is influenced by, I can tell yaa: Iron Maiden/Paradise Lost/Tiamat/Queensryche/Nirvana/Bathory/Di Leva/Autopsy/Neshu-ggah/Negadeth... etc! Anyhow, just now they are working on some new and much more original material ! Maybe they will release a new demo soon or maybe a record on Slaughter Records, it's not for sure yet. TRENT ENTERTAINMENT

(213) 650-7569

FIFTY LASHES is a band hailing from San Francisco, Usa !!!!! A while ago I received their 1990 demo "Pain" from their management/promotion firm TRENT ENTERTAINMENT. And even if the tape is 2 years old, it shows a great side of the Bay-Area scene nowadays !! FIFTY LASHES reminds me a lot of the old demos with MORDRED. Anyway, they were actually formed 1988 in Chicago. But after receiving favorable response and acclaim, the band relocated to San Francisco (Ca) to expand their opportunities. And their line-up nowadays is: Bradley Wood-Lead Vox/Rhythm guitar, Bob Lucero - Lead Guitar, Eric Hansen-Bass Guitar/Vox, Mike Taylor-Drums !! And as Bassplayer Eric says: "We're about ourselves. This band represents a solid band and a way of life !"...That's the philosophy of this band !! Anyhow, get this demo for 5 Us bux (I think!) from: TRENT ENTERTAINMENT, P.O. BOX 931180, LOS ANGELES, CA. 90093 -1180, U.S.A. ! WRITE NOW !! THRASH IT UP!

# DEMO

Uka Akka dudes..Time again for some interesting and uninteresting demo reviews !!! If some of these bands sounds cool,do not hesitate to write to 'em...Ok !! Tajma in.

## NOCTURNAL RITES "DEMO 1...1991"

Hey...Let us start with some real brutal death metal from Umeå, Sweden. Even if the sound on this demo is quite boring, you can hear that this band would clear up your mind for a second. With a vocal like Paradise Lost, this sounds fucking great & of course brutal as heaven. Please order this 3 (or is it 4 ?) tracker by sending 4 Us\$/20 Sek to this address: NOCTURNAL RITES c/o NILS ERIKSON, APPELVÄGEN 25, 904 36 UMEÅ, SWEDEN !!!!!

## CRUCIFIXION "A COLD SEA OF HORROR" !!!!!

After the very boring review of the N.R. Demo (My Fault/Ed.), I will do my best to make this one better. This band, Crucifixion hails from Houston (Texas, Usa). And after a accoustic guitar intro, it all break through into fast and intense deathrash !!! And this is 5 great musicians, yep in Hell. Well, talking about 5, there's also 5 trax on this one : A Cold Sea Of Horror/Home Of The Lonesome Wanderers/Trees Succumb/Screaming Fatality/Tomorrow Is The End... With a touch of the Swedes in Merciless, this is quite enjoyable !! Why don't drop 'em a line or two, please write at this one: CRUCIFIXION, P.O. BOX 230385, HOUSTON, TEXAS 77223, USA !!!!! (Make sure that you include 5 Us Bux with the letter, get this!)

## BEHEADED "PROMO TAPE 1991" .....

What's to say about a doom/death from S'pore ? Actually I don't know yet !! But maybe I don't like this stuff too much. A good thing about this band is that they sometimes reminds me of Possessed. Maybe you can compare them also with Dream Death (serious, or what at ??/Ed.) !!!!! Hey,

maybe this is the band you're looking for, wr-wr-write to 'em if you want: AZMAN BIN OMAR, BLK 713, Nr.03-3936, BEDOK RESERVOIR ROAD, SINGAPORE 1647. Mark the letter with BEHEADED !! (The guy is also doing the fanzine EVIL ROTTING, so bands should also get in touch !!) (I think 4 Us bux is enough for this Promo Stuff !!)....

## IMMORTAL TERROR "DEMO 1991" ....

After I had seen the absolutely the ugliest cover in the world, I was not prepared to hear this band called Immortal Terror !! But, fuck, this band sure shred in all brutal ways. Death metal music in the vein of Cannibal Corpse & Autopsy !!! Take a look at the titles: Intestinal Decay/Mangled Remains/Paraitic Infestation/Ashes To Ashes/R.O.T.... Ohh, great, just fucking great. Make sure that you don't miss this band, they are probably one of the worlds best unsigned bands just now. Send 5 Us \$ right away to this address: IMMORTAL TERROR c/o JIM SANTILLO, 25 PERU PL, BUFFALO, N.Y. 14206, U.S.A. !!!!!

## CENTINEX "END OF LIFE"

Oh, time for the first Sunlight product this time. Centinex from Hedemora, Sweden are nowadays trying to play some kinda Death Metal. You can say that it's sounding like Bolt Thrower in a way, but not in a other. This is hard to explain. Actually they got two singers, "Mattias" and "Lasse!!" But ok, it's sounds ok to me anyway. This tape got 4 trax: The Aspiration/Fear/Bells Of Mystery/Dreams Of Death !!! It's hard to say for me if you like 'em or not, why don't you give it a try instead. Please send 4 Us\$ or 20 Sek to this address: CENTINEX c/o MARTIN SCHULMAN, WIKVISTAS GATA 6, 776 00 HEDEMORA, SWEDEN !!!!!

## DEFAMATORY "TIME" !!!!!

From Denmark is this band, and they sometimes reminds me alot of their landmates Invocator !! So it's pretty fast metal here and there. And

it's quite enjoyable too. But each time that I listen to this one I wonder why they have stealing their intro from the great 'ol Swedish band MIDAS TOUCH ? That's the only sad/bad thing that I have to complain on, because all in all this is great, ok !! 3 tracks of great deathrash, recorded by these 5 dudes in DEFAMATORY !! Please send 5 Us bux right away to this address: DEFAMATORY c/o RENE ASHUSSEN, SKIPPERSVAENGET 118, 6710 ESBJERG V, DENMARK !!!!!

## SARCAZM "SNAILDEATH" !!

Sweden again, and the Gothenburg thrashers SARCAZM !! This is their debut demo, and boy, what a debut !!! With a touch of Annihilator they make it sound pretty professional. But I don't like these kinda vocals, a new one who tries to sounding just like James Hatfält !!! But when you takes a listen to quality track "Diabolic Skills", you forget the terrible vocal..That's ok !! Order this quality piece through sending 5 Ryska bananas to this dude: Peter Andersson, Smaragdgratan 1, 421 59 V.FRÖLUNDA, SWEDEN !! (There are some deathgrowls here & there too for the one who care !)

## TOXAEMIA "BURIED TO ROT"

When we come to death metal in Sweden, then we can't forgot the old & true-working TOXAEMIA from Motala. Here they are again with their 2nd demo cassette "Buried To Rot", and GOD what a revenge of their debut "Kaleidoscopic Lunacy" !! This demo including 5 tracks of brutal and original death metal. If you're into this shit then you should not miss this one, be sure !! And before I end this one, I must warning you all that their 2nd 7" Ep is out by now, I hope !!!!! And on this one they are a member short, because their old guitarist Linus suddenly left the band before this recording...Sand but spade. Hey dudes, please order this original masterpiece "Buried To Rot" by sending 5 UsBux to this add: TOXAEMIA c/o STEVO BOLGAKOFF, ULAXGATAN 61P, 591 34 MOTALA, SWEDEN !! (In next issue of MOULD I'll probably have an quality int. With these dudes... Hope so/Ed....)

## PUTRID OFFAL "UNFORMED"

From France hailing the grinddudes in Putrid Pokal..Upps, OFFAL...This is sure brutal but not

my toasted bread !! Well, they are quite good musicians. But I don't personally think that this band can succeed too much, I don't know why ?? Maybe you like Grind (with a little touch of death), then you must drop 'em 4 Usbuxar: PUTRID OFFAL c/o HOURIEZ FRED, 89 AV. SCHWEITZER, 59282 DOUCHY, FRANCE !! (Good luck dudes, in the future !!)

## MELODIC MAYHEM "DEMO '91"

Over to some more melodic music, from Los Angeles in the States hails the heavythrashers MELODIC MAYHEM. Great & heavy music in the veins of their landmates PSYCHOTIC WALTZ (especially the vocal !!!). 3 strong trax composed by 4 quality musicians. So all I have to say about this powerband is : If you're into open-minded and heavy music, don't hesitate to send 6 Us\$ to this address : MELODIC MAYHEM c/o RONNIE GRIFFIN, P.O. BOX 641 145, KENNER, LA. 70064, USA (Their music can be compared to KING DIAMOND/ANNIHILATOR, and as I said PSYCHOTIC WALTZ !!)

## GOREMENT "HUMAN RELIC"

A newcomming band from Sweden is the deathmetalers GOREMENT ! This is their debut demo, and it's including some real brutal Death music ! This one featuring those 3 trax: Darkness Of The Dead/Human Relic & MOULDER within (great track title..Hehahi !!) The vocals is quite pitched...(Or pissed, what ever you want ?). This tape is only for the brutal guys, send 5 Us\$ to: GOREMENT c/o MATTIAS BERGLUND, TROLLSTIGEN 6, 611 45 NYKÖPING, SWEDEN, EARTH, MEZZRÖWLAND !!

## GOMORRAH "EMBRYONIC STAGES" !"

But now more & more bands seems to open their eyes for the garbage music, look at bands like: WARP SPASM, DECOMPOSED & these dudes in GOMORRAH, with their demo "Embryonic Stages"... 3 Heavy trax with a touch of quality these dudes can plays their instruments !!! The line-up runs: Sven-Vocals/Mike-Guitar/Jose-Guitar/John-Bass..& Athol-Drums !! I can not directly find any sign of equality to some other bands, but maybe Slayer and Sindrome, I would say !!!!! HILL, HENLEY ON THAMES, OXON

EXPERIMENT, from the States !

quality, and a glossy cover

me sometimes of the Swedish

CAN I HAVE ANOTHER ONE ?? Please ??? Bu !!

In the beginning of this year 1991, I received a demo tape of this band... **PLUTOCRACY** !!!!!!! And when I heard it, my head began to bang... Totally great music, in the vein of... God knows who ?? Actually, their death & grind music is pretty original. And I fucking dig it... **READ !!!**

#### HI MAX, WHAT'S UP THESE DAYS ??

-Oh not much. Been real busy with rehearsing, working full time, organizing a tour (mentioned later), shit like that !!! There's a killer band called **TYRRANNICIDE** here & they have a side grindcore band that uses a drum machine. We'll be releasing a split 7" flexi with them (1000 press). 200 will be given away free in the next issue of **ATMOSFEAR ZINE**, then the rest will be sold. We then have a 2 song promo E.P. (500 press) coming out on Psychoslaughter Records to help promote our Lp. The Lp will be out hopefully around December (by now/Ed.) even though the songs are quite old. The promo Ep should be out in 2-3 months and then we have a split 7" with the **MEAT SHITS** coming out around December-January. Both the flexi & the split 7" will be in the D.I.Y tradition, doing it ourselves !!

#### I HEARD THAT YOU ALSO WILL BE FEATURING ON A COMP. LP FROM DEAF/PEACEVILLE... PLEASE, TELL US MORE ABOUT IT ??

-Well, I haven't talked to Johnny of **DEAF** lately, but when it does come out, we'll have a song on it. The only thing is that the song is old as fuck, so I want to write him, and send some of our newer shit.

#### HOW'S THINGS GOING ACTUALLY WITH YOUR DEBUT ALBUM "CIVILIZED" ?? ARE YOU SATISFIED WITH THE PRODUCTION...etc ??

-It hasn't even been released yet. We're waiting for the promo E.P. Then Sean of P.S. is going to focus on the Lp. He's taking care of all that, he's already got the test-pressings for both **MULTIPLEX** & **ABRUPTUM** ep's. So our Ep will be on the way in about 2 months. (Well, I really hope so/Ed.) !!

#### YOU PERSONALLY SEEMS TO HATE MORBID ANGEL, WHY ??

-Well, first off, the lyrics are so stupid ! I have a radio show tape of Trey calling a religious talk show, and Trey conjures his demons over the air, that's just posing hard. They have mega-cyo's, stating that they made EARA-

**CHE**, and numerous other fucking lame ideals. Sometimes I hear people say: "Well, the lyrics are dumb. But the music's good". That's a cheap excuse. I also guess that **SKREWDRIVER** is "still good" even though they're nazi's, **BULLSHIT** !! You can't separate the two.

#### ONCE UPON A DREADFUL TIME..YOU HAD SOME T-SHIRTS FOR SALE, WHAT EVER HAPPENED TO 'EM ??

-Ok, we did the shirts ourselves. So it became tedious after a while. Also the design became crooked. We expect to have black short sleeves in 2 months. The band will fully distribute the shirts ourselves, so just write us. Trust me, **NO UPSIDE-DOWN CROSSES, PENTAGRAMS, or the like**. You can bet it'll be angry !! **AAAARRRGHHHHHHH !!**

#### I ALSO KNOW THAT YOU MAX PLAYS IN A OTHER BAND TOO - MEAT SHITS, YEP... LET US KNOW MORE ??

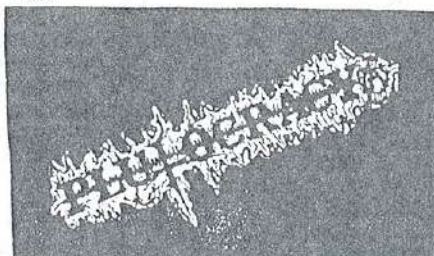

-Well, actually I play in 3 bands. I play in **PLUTOCRACY** (full time), then I play in a band called **SIROTA** (part time). Sirota's influences is from bands like: **Disrupt, E.N.T, Lärm, Infest**, shit like that !! Then I session with the **MEAT SHITS**. I hardly do Meat Shits though. We only go into the studio every 3-months & we hardly play live.

#### ANYWAY, HOW'S THINGS GOING ACTUALLY WITH THE SPLIT EP WITH YOUR BANDS PLUTOCRACY & MEAT SHITS ??

-The split is on the drawing board right now, we expect to release it in December-January if not sooner. It'll only be a 1000 press.

#### ON THE OLD BIO OF PLUTOCRACY, YOU MAX, WEARED A T-SHIRT OF THE SWEDISH UNLEASHED..DO YOU KNOW THEM WELL ??

-I wrote Johnny a couple of time, mainly to buy merchandise from **UNLEASHED**. But I wouldn't say he's a pen pal. I really like the 2 demos and a live tape I got from them, but the Lp gets boring. The production's too clean, too generic.

#### BY THE WAY, HOW HAS THE RESPONSE BEING ON YOUR LATEST DEMO "PROGRESS.. THE BIGGEST LIE !!" ??

-The response has been fucking great !! We've sold hundreds of demos, about 150 new promo's (promos for Lp), and have just started distributing the advance flexi/split Ep tape. The newer stuff is way better, way more towards grind, getting away from the generic death metal shit.

#### ANY GIGS OR TOURS COMING UP SOON ??

-Well, we are expected to play with **AUTOPSY** real soon locally. We're expected to play with a couple killer hardcore bands (**SLEEP** = Ex. **ASBESTOS DEATH/CAPITALIST CASUALTIES**) in December, then we're heading down to Los Angeles, to play two killer shows with **NAUSEA, MINDROT, PHOBIA**, and a couple other killer southern Californian grind bands.

#### ALRIGHT MAX, LAST ADDITION ??

-Write to us if you're interested in merchandise. We have a 3-song promo for 4 Us\$ (Us) & 5 Us\$ (elsewhere). I can record the newer shit on the end of the tape too. If you are writing for a mag !! Or maybe a compilation tape, please send a blank + Postage. We are too poor to give away free tapes. **DON'T LET THE GRIND SCENE SELL OUT...KEEP IT D.I.Y !!** Thanx.....Bye !!

Ok my great friend Max !! That was it for this time. And if any open minded and politic interested dudes now wants to write to this godly band, at their home address... Use the one above !! But Max also says, that it goes exactly just perfect to write and support these 2 project too, so please feel free to do so:::.....

# MY DYING BRIDE

## "SYMPHONAIRE INFERNUS ET SPERA EMPYRIUM"

VILE 27T EP/CD/MC

THE ONE TRACK CLASSIC DEBUT FROM MY DYING BRIDE

WORLDWIDE RELEASE: MARCH 16th 1992

In June 1990, there was a band who started to work on some gruesome material... Of course I am speaking of the heavy band MY DYING BRIDE from England !! (From Bradford, to be exact).

They formed out of the ashes of the band ABIOSIS (the band which contained Andy & Rick), these two dudes met up with Calvin & Aaron, and formed as you know... MY DYING BRIDE! On their first demotape "Towards The Sinister" (Recorded in November 1990, released in February '91), they were out of bassplayer... but now they have one, but I'm sorry to say but I don't know the name of that one !!

Anyway, the demo was a masterpiece, a true one.... So in the middle of 1991, they hit the studio again, to record an 7" inch for the French label LISTENABLE (Started by the Peardrop-Dude Laurent ...) !! The single was entitled "God Is Alone"... And believe me, this was even more brutal and heavy than their previous demo "Towards The Sinister".

After all this, the word MY DYING BRIDE was passed over to PEACEVILLE RECORDS. Also, as you know, they were ready to signed the band any minute now.... So at the end of last year 1991, MY DYING BRIDE signed with Peaceville, for a record or 2... I don't know actually !! But as you all know now, they have released both an 12" and their debut album "As The Flower..." (Ok, your greedy bastards, the 12" was entitled "Symphonair Infernus Et Spera Empyrium"). They have also appeared on MTV alot, with their video for "Symphonair..."... That's cool, I think !! It seems that this band is something like a rocket, directly from

the underground, up to the big stars on MTV.... etc !! Well, their line-up today is: Calvin -Guitar/Andy-Guitar/Rick-Drums/Aaron-Vocals.... A bassplayer which I don't know the name of... SORRY !! I really hope that this band continues to shock everything they touch, because for me this is one helluva band, ok !! I wish them all the best luck in the future... Write 'em if you want to (enclose I.R.C.), address: MY DYING BRIDE, 8 LOWFIELD ROAD, DEW-SBURY MOOR, DENSBURY, WEST YORKSHIRE WF13 3SR, ENGLAND!!

In December '89, these guys played their first show. Though the band name was at the time Mr. Bungle. The next year was spent working on material that was released in the Spring of '91 as one of the year's absolutely best and most professional demos, "Kill The Fool". Shortly after they had gotten a deal with Big Chief Records. They are soon going to release their debut album, which will be called "Mooncalf". Originally it was meant to be called "The Burden", but due to the band having to change name for some legal reasons. So nowadays they go under the name OVERMAN, not Mooncalf, as they did during this interview. The current line-up of this megaband is: Anthony Amendola (Guitar) / Chris Fugitt (Drums) / Ron Fuller (Bass) & our interview dude Brian Sullivan (Guitar, Vocals)...

YOU'VE BEEN SIGNED TO BIG CHIEF. TELL US SOMETHING ABOUT YOUR CONTRACT ?? ARE YOU SATISFIED WITH IT ??

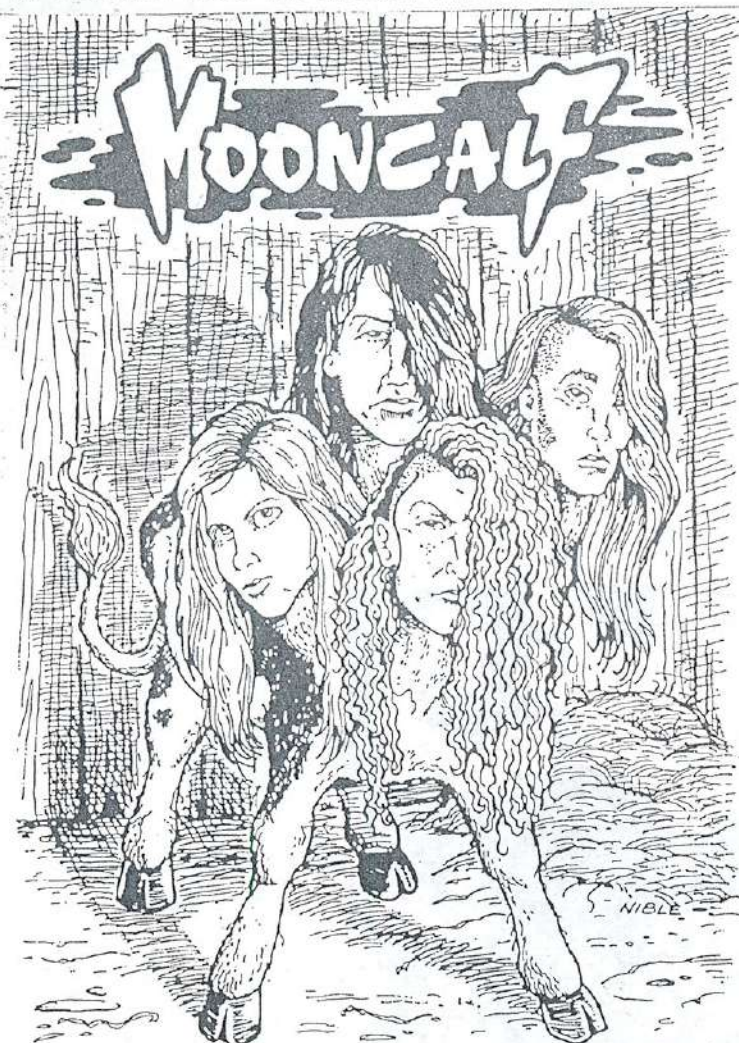

-So far Big Chief have treated us well. One of the main reasons we decided to sign with B.C. was because there were not many bands on that label. Big Chief seemed to want to work with a few bands trying to develop in their own style and felt as we fit in that mold..

"KILL THE FOOL" WAS A RATHER EXPENSIVE DEMO. DID YOU DO THAT CONSCIOUSLY ? DID YOU THINK IT'D BE EASIER TO GET A CONTRACT WITH A DEMO THAT YOU'D PUT A LOT OF MONEY INTO ??

-We decided early on that when we did a demo we wanted to do it right the first time. We recorded songs in order to show the range of styles the band wanted to experiment with. We felt 3 songs just couldn't show what we are capable of. So far that decision has paid off. If I pay money for a band's demo I don't care how fast it was done, I care about how good it sounds.

WERE THERE ANY OTHER LABELS INTERESTED IN SIGNING YOU, HOW LONG DID IT TAKE TO SET UP AND WORK THE CONTRACT OUT ??

-B.C. Made their offer very quickly, so we were taken by surprise. After the initial offer we took some time

**Kill The Fool**

to get some offers and to look at what others could do for us compared to them. Big Chief seemed to be the most supportive of the direction we wanted to go in and took a hands off approach on the creative side of things which we considered important in our decision to sign with Big Chief !!

YOU'VE GOT VERY GOOD CRITICISM ON MANY SIDES. I SUPPOSE YOU MUST HAVE HAD A GOOD SELF-CONFIDENCE WHEN YOU ENTERED THE STUDIO, RIGHT ??

-No, not really !! We're our worst critics and will never be satisfied with what we've done. There's no such a thing as good enough. So far most demo-reviews have been great, but that only puts pressure on us to live up to those expectations.

WHAT TRAX WILL APPEAR ON YOUR DEBUT ALBUM "MOONCALF" ??

-From the demo we re-recorded: "Thou Art God", "Tearing Down The Temple", "Hi-Jesus" (Now titled "What's The Cost ?"), "Kill The Fool/Dead Dummy" & "Source/Control". The new songs are: "The Burden", "Cut It Off", "A Turn For The Worse", "First Books...Then People", "The Only Truth", "I've Been Watching You" and "In The Mind Of Fugitt".

WHY DID YOU CHANGE "HI, JESUS!" TO "WHAT'S THE COST" ??

-We did that to make it a more mature song & this title fits the song better !!

WHAT'S THE REASON FOR HAVING COMMENTS ON THE SONGS OF "K.T.F." ?? WILL YOU DO THE SAME ON YOUR ALBUM ??

-I'm still amazed at how often people misunderstand my lyrics. I put the comments in the tape to help fight this, but now I wonder why ? Let people think what they want. I haven't finished the sleeve for the record yet, and I have not decided if I will use them again !!

WHEN ONE READS THE LYRICS ONE FINDS A LOT OF THE TOPICS ARE ABOUT RELIGION. ARE YOU AGAINST RELIGION OR WHAT ??

-I'm in no way against religion. I'm against organised religions that tell me what to believe or how to live. I sing about topics that mean something to me, so I sing about Religion, not babes in tight pants !!

YOU RECORDED "MOONCALF" IN WOODLAND STUDIOS BUT MIXED IT IN HYDE ST. STUDIOS, WHY ??

-We wanted to mix the record on an automated board, and in Hyde St. In San Francisco had the board and engineer we wanted to work with.

OK !! YOU'VE HAD A LINE-UP CHANGE. WHAT, WHEN & WHY HAPPENED TO MARSHALL STRONG ??

-Marshall didn't fit in many ways. He just wasn't a friend and didn't have the same views as the rest of the band. It really wasn't a matter of musical ability, but Ron's playing has better fit the band's sound.

DID YOU EVER SEARCH FOR A NEW BASSPLAYER OR WAS IT JUST NATURAL FOR RON TO TAKE OVER ? WHERE DID YOU FIND ANTHONY ??

-We auditioned a few bassists, but it was obvious Ron was the only one capable of doing the job. I also liked the idea of giving leads to a second guitarist and Ron just wasn't interested. We knew Anthony before asking him to join. We had met him at shows, but never realized he was a serious musician. When he auditioned he already had learned several songs from the demo and was the obvious choice. He played his first show with us 8 days after joining !!

HOW DID THAT GIG AT THE outhouse TURNED OUT ??

-Great !! Marshall was very popular, so we were afraid of what our fans reactions would be like to Ron and Anthony. But they were accepting and Anthony did great.

YOU PLANNED A TOUR IN AUGUST & SEPTEMBER LAST

# MOONCALF

## YEAR.DID IT EVER OCCUR ??

-Right now we're waiting for the release of the record before touring. Chris put things on hold for a while when he broke his finger in the pit before a show (He still played the set) but the doctor said he couldn't play at all for a while or risk serious damage.

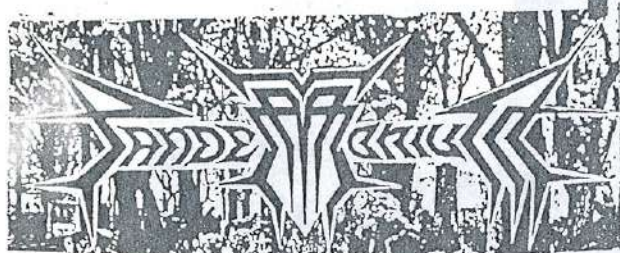

**OK !! IT'S TIME TO CLOSE NOW SO YOU 'D BETTER SAY THE THINGS WE'VE MISSED IN THE INTERVIEW NOW.....**

-Thanks to everyone in Sweden who has responded. We've been treated very well by the response from Sweden and of course we appreciate it. Also, look out for our album "Mooncalf"...Out soon on Big Chief !!

Whole lotta thanx to you Brian !! Probably they don't have any demos left, but when you see the record in the shop you just can't ignore it. After having heard the demo I can say that the Lp is an Essential buy !! And to be added, their address:

## Kill The Fool

Yapp, time again for some articles !! A pretty good sounding act from Poland is PANDEMONIUM. They was found in October 1990, by Paul-Guit./Vocals & Peter-Drums. With that line-up they played some gigs with IMPERATOR, ACID DRINKERS...+ Some others !! In May 1991 they released their first official Reh/Demo, the tape is including 3 trax of Black/Death metal + A cover of the track "Into The Pentagram" with the great old kings SAMAEL !! Well, during the recording of this tape, they added a bassplayer to their line-up, so nowadays it goes like this: Paul-Guitar/Vocals, Simon-Bass & Peter-Drums !! Anyway, I think that they will release a new tape soon. This time recorded in a studio. If you want their old Reh/Demo, send 4 Us\$ to the address below !! They also seems to have some T-shirts for sale for 10 Us bux...Get in touch with this interesting dudes: PANDEMONIUM c/o PETER, KOOWANOWSKIGGO, 91.469 KODZ 13/56, POLAND !!!!!

# HARVEY WALLBANGER

If you are an open-minded metal freak...Then this "Break-All-The-Walls" band is for you, they are called HARVEY WALLBANGER and hails from the city Sala here in Swedala !! A while ago they sent me Advance tape of their forthcoming Lp "Sick Jar Of Jam" (First release on the new label Frisk Fisk Records !!), and FUCK.... This is insane for god sake !! The only band that I can compare them with is TRIBULATION. I don't know why actually ? But this is sure insane anyway !! The tracklist runs: "Who's Sick", "Total Chaos In My Stomach", "Sea Shepered", "Hördy Smörd And The Bird Is A Nörd" (How can a band choose a title like that ?/Ed.), "Sadistic Research For The Limits Of Life", "Lassie's Dead", "Egotism Re-Cornered", "An Asshole" & at last a wierd track called "Sounds From The White House" !! The dudes behind Harvey Headbanger (Ohh..Sorry !! Wallbanger) is: Magnus Hansson, Fritz Quasthoff, Daniel Sören, Jonas Wincent & Johan Feldtman !! This band has earlier released 2 demos (entitled "Abominations Of The Universe" & "Have A Nice Day!!") and even a 7" inch on Active Music entitled "Irrevocable Act" was released last year 1991. Their demos wasn't that cool to listen to, but their 7" was okay... And this Advance Tape really shreds !! This is great, funny, cool to listen to, very enjoyable. Mark my words!!! If you would like to buy this album please send 80 Sek in Scandinavia, and 15 Us\$ elsewhere..To this address: HARVEY WALLBANGER c/o JONAS WINCENT, GRUVAN ÖLBOMS, S- 733 94 SALA, SWEDEN !! (Ps. I think that they also got some 7" left for sale too, for the price of 6 Us\$ everywhere !!Ds.) Get in touch with this weird pals.... And if someone is wondering where this album is recorded, well...It's recorded in Gorysound Studios, Finspång, Sweden !! And produced by the mighty Dan Swanö... Singer of the great EDGE OF SANITY !!!!!!!

Hell fucking yes...Time again for the most crasiest (and also one of the most godliest) band on this chemical earth... Yes, it's teatime with the dudes in MEGA SLAUGHTER !!

HHMMH...WHAT'S UP THESE DAYS, ENIL ??

-I refuse to answer on a question like this !! (Yeah,tough boys don't answer.../Ed.)

WHY DID YOUR GUITARIST KENNETH LEAVED YOU ?? ARE YOU SATISFIED WITH THE NEW ONE ??

-He moved to his girlfriend, who lives 40 miles from us. In a city called Sölvesborg. Our new guitarist ?? To early to say anything yet,we have only rehearsed with him 3 or 4 times,but as it look now,it is ok....

HOW HAS THE RESPONSE BEING ON YOUR DEBUT LP "C.F.T.B" AND YOUR DEMO 1991 ACTUALLY ??

-The response on our Lp has been great,we don't know how many we have sold,but,who really cares ?? Our latest demo, has also got very good response from the underground,we've sold for about 300 in 2 months.

Then he told me that he has been secret in love with me (I think it is because I'm a rockstar), and he couldn't take the pressure anymore !! He said to me that I could wish me anything,if I became his boyfriend,and here we are. OOH...I almost forgot,we're waiting our first child soon. (Ska du ha ett FIKON,Perra ??) (Ja Tack din kalkonätande get...Fast säg inget till Mamma,för jag får bara äta Fikon på Julafton !!/Ed.) !!!!

WHY DO YOU LIKE THE TRUE "SHITBAND"

SCORPIONS ??

WHAT DO YOU THINK OF YOUR "OLD RECORD LABEL THRASH NOWADAYS ??

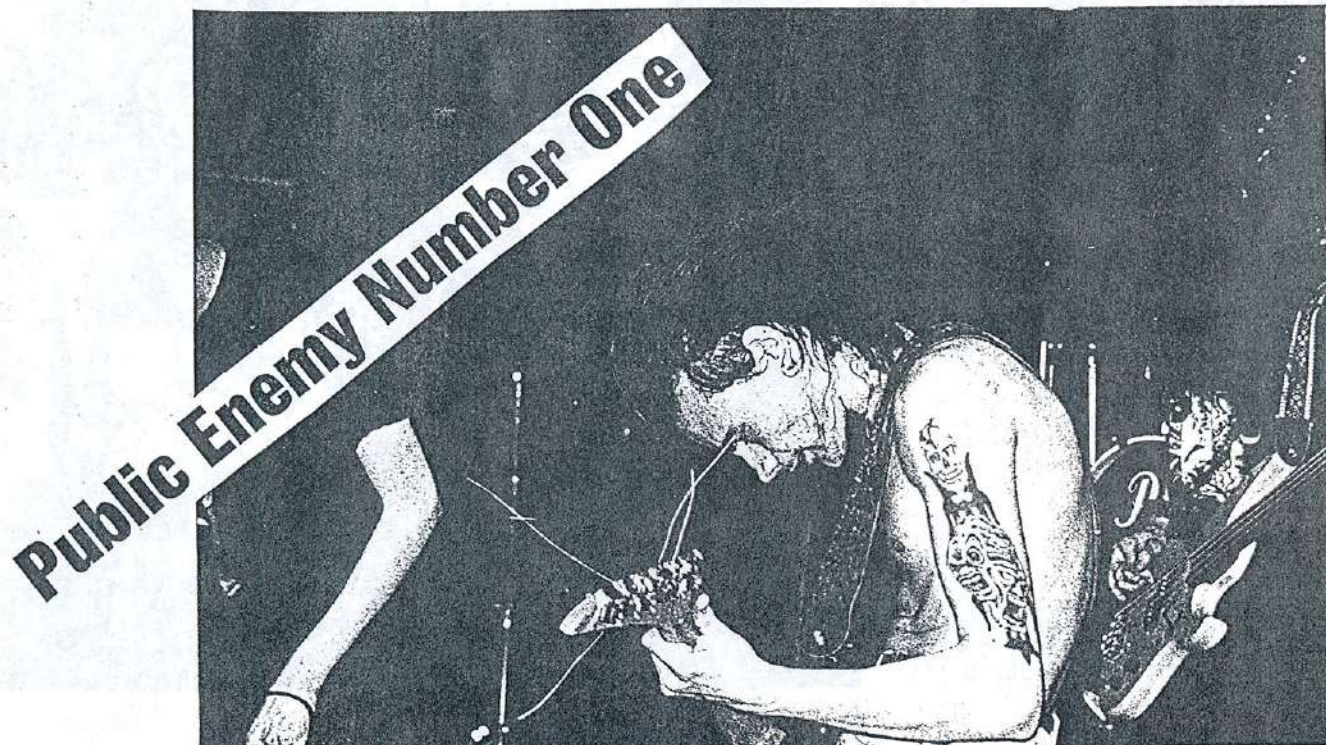

-That is a hard question (Hur hård är en fråga ??/Ed.),Hhmm mm...I must think !! Well,I think that they have done alot for the Underground. But Pat at Thrash Records,he's a bit weird,I think that he have Ripped us off. But I'm not sure,if I am wrong,I am sorry !!

AT FIRST,YOU WERE SUPPOSED TO PLAY SOME GIGS IN BELGIUM.... WHAT HAPPENED ACTUALLY ??

-I fucked it all up !! I thought that I had wrote back to him,and told him that it would be great to play in Belgium. But 3 weeks later I found the letter under my bed,so I send-ed it to him.. Later on I got an answer,that we were to late to answer the whole thing !!! So Edge of Sanity got to play there instead,talk about bad luck !!!!

FAVE BANDS/ZINES/FRUITS/CARS/DEMOS ??

-What kinda question is that ? Answer me before I get mad....

Alex - Bass

After all this mentaly words from MEGA SLAUGHTER, it's time for some info. Again...Let us start with the Dutch death metallers in PYATHROSIS, they were found in January 1990. The same year they recorded an demo/rehearsal which were called "Siphoned Hell". That one wasn't official, I think !!

But after a while they changed drummer, and in February 1991 they went into the studio to record their first "Real" demo. Which got the name "Fields Of Unceasing Death" !! This one turns out real killer in the underground...That's for sure !!!!!

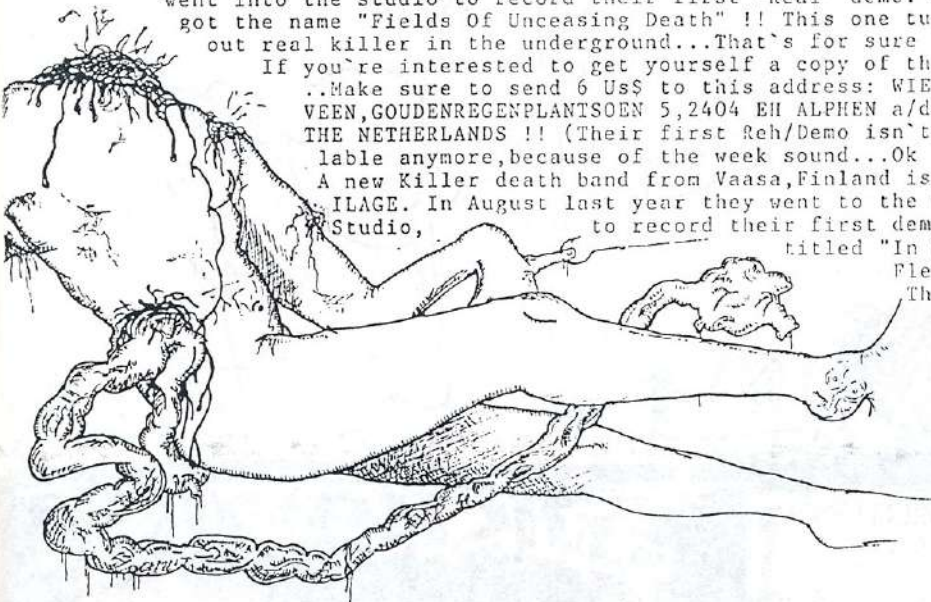

If you're interested to get yourself a copy of that one ..Make sure to send 6 Us\$ to this address: WIEBE v/d VEEN, GOUDENREGENPLANTSOEN 5, 2404 EH ALPHEN a/d RIJN, THE NETHERLANDS !! (Their first Reh/Demo isn't available anymore, because of the weak sound...Ok !!!!!)  
 A new Killer death band from Vaasa, Finland is CARTILAGE. In August last year they went to the Welmu Studio, to record their first demo, entitled "In Godly Flesh".

This one is just

now a very popular death-demo in Finland. And boy, this is great music. Get it by sending 5 Us\$ (In Europe) and 6 Us\$ (Elsewhere), on this address: CARTILAGE c/o MIKKI SALO, VANHAN VAASANKATU 12-14 F4, 653 70 VAASA, FINLAND !!

In Switzerland the scene is growing for every day, a while ago I recieved a letter from a band called EQUIMAN THORN. They told me that they were formed back in September 1990. They have released 2 demos, with a touch of black metal...The first one is "The Last Prayer", and the latest one is "Eternal Blasphemy". Which was recorded late 1991, I don't know any price on this recordings....But I hope that you can write a letter to this dude and find out by yourself (Enclose I.R.C.): c/o DI-DLER GABLOUD, RUE DES FARQUETS 58, LE GUERCAT, 1920 MARTIGNY, SWITZERLAND !!

Well muthas, this was only info. On three bands...Hope you now have some more flesh on your boones....Helle !! E'O'S RULES!! So does even Benny-Egon & co. !

## SLICKRATIE

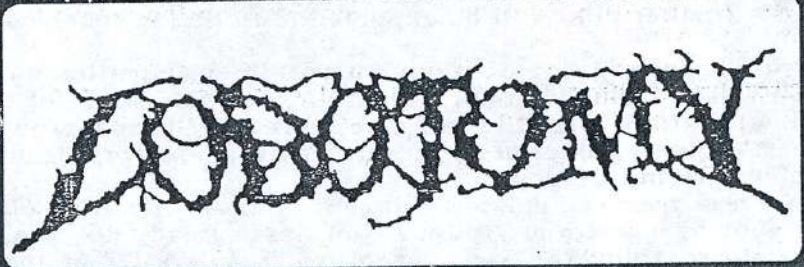

P.O. BOX 39048 / 28080 - MADRID / SPAIN

Back in '87 there was a band in the states, who formed under the name of DOOMSDAY. It happened when the two lunatics Bill Sargis & Eric Ondo (Oj.. Han verkar verkligen vara Ond !!!/Ed.) rolled their shit together !!!!! Anyway, after a several line-up changes, the year was 1990... And then it all come through, when Paul Tobin & Jeff Massey joined the band !! They started to work very intense on new material, and everything began to look great. But every great thing got an end, so only after a several months, the original singer left the band !! But who cares actually ? Because then Bill and Paul began took over the vocal duties, and that marked a change for the bands originality, now the vocals were more brutal & aggressive. So in 1991, it was time to change the name into MAINED, and record the first demo tape under the

new name. 5 ultraonda trax were recorded pretty soon, and the demo got the title "Maimed-Demo '91". In my case, it's a very good demo with alot of great song structures. So what I would like to say to all the Brutal dudes who wants this tape, do not hesitate, order it for 4 US\$ (In Usa) and 5 US\$ (In Europe). From this address, of course: MAINED c/o JEFF MASSEY, P.O. BOX 326, MIDLOTHIAN, IL. 60445, U.S.A !!!!! Order it now dudes !!!!

Let us end this issue with an short article on the Swedish death metalists LOBOTOMY, from Stockholm. They started in the beginning of 1990 to rehearse as Hell, after they had changed their name from Rapture. Back then they had Leffe from great 'ol NIHILIST as guitarist. But when he emigrate to Canada, Lasse took over the guitar and Patrick came in as a bassplayer, so their Line-up went just as this way: Lars Jelleryd (Guitar/Vocals), Fredrik Ekstrand (Guitar), Patrick Carsana (Bass) & Daniel "Dudde" Strachal (Drums). Thier influences can be found in bands like: Repulsion/Executioner/Di Leva/Autopsy...etc !! At the end of 1990 they recorded their debut demo "When Death Draws Near", a 3-tracker cool as heaven. Recorded in Sunlight Studios, engineered by Tomas Skogsberg !!!!! Since then they have working hard on new material, and in '91 they received a 7" Ep deal from the English stabled label Putrid Corpse. So maybe they have an 7" out soon or else a new demo, I don't know ? Why don't you drop 'em a line by yourself, address: LOBOTOMY c/o FRED EKSTRAND, KASTRUPGATAN 6, S-164 42 KISTA, SWEDEN !! (Their "W.D.D.N"-demo costs 20 Sek in Scandinavia and 5 Us dollar elsewhere)....

Yes, it's true... Another issue of MOULD MAGAZINE is now over !! And if you got something important to tell me, please get in touch. There was meant to be some more articles as well, but the most important ones is featured in this ish. So don't worry... Next time I'll do my best to featuring bands like: TOXAEMIA/EDGE OF SANITY/ALCHEMIST/ROTTREVORE/INMORTAL DEATH/EXPERIMENT/INVERTED/TRIPHAMMER...etc ! (+ Tons more !!!). I am still interested to Tape-trade, Trading 'zines, Get more contacts, So I would really like to hear from all you crazy bands, dudes...etc !!! And if some of you would like to contribute for Mould Nr.4, write me at the address below, Ok !! Well Ghostbusters, there's nothing left for me to say then...KEEP IN TOUCH !! Stay Ultra Fucking Brutal...

## INKSPLAT ARTWORKS

How do you like your artwork? Bizarre? Weird? Brutal? Hard boiled? INKSPLAT gives you just the design you need. Be it for demo, lp covers, shirts, stickers etc. And what's more, it's darn cheap too. Quality is guaranteed - if the design doesn't live up to your expectations just return it along with coverage for my postage loss, that's all there is to it! So people in need of quality artwork don't hesitate to get in touch for further details. I do mostly black'n white pieces, but colors will be taken care of easily too.

## Regarding your request for information on affiliation with The Church of Satan

We were established in 1966 c.e. by Anton Szandor LaVey, our High Priest, who declared the Year One, thus opening the floodgates to a revolution designed to smash the hypocrisy and unreason which has reigned for the past 2000 years. We have, since 1966, stood as the most formidable threat to those who would halt progress in the name of spirituality. We are explorers on the untrodden paths of science, human motivation and mystery--all that is most *truly* occult.

Those who proudly carry our cards identifying themselves as members have the strength and dedication to implement the tools of Satan, the imagination to confound and confuse, the wisdom to recognize the Unseen in our society, and the passions of a classical Romantic soul.

We don't solicit memberships; however, if you wish to join us, to show your support or appreciation, you can become a Registered Member. For a one-time registration fee of one hundred dollars, you will receive an impressively-embossed crimson card declaring you a member of the Church of Satan. No further dues will be expected. You'll also receive a questionnaire.

Filling out the questionnaire indicates your more serious interest in our organization. By completing and returning it, you will be included in our Bulletin List so you can receive announcements pertinent to your affiliation. Your file will also be reviewed for further involvement; we have affiliates/special interest groups of all persuasions who are working on many fronts toward the fulfillment of our Satanic destiny.

If you're looking for activities, we suggest you follow the directions in *The Satanic Bible* and further the cause by forming your own grotto or group. If you have already done so, contact the Church of Satan with details regarding the type of people you're interested in, the focus, structure and schedule of your group, and if you wish to be contacted regarding new members in your area.

Understand that if you wish to pursue group activities using the Church of Satan as an identity, you are legally required to be a Registered Member of the Church of Satan. If you represent yourself as affiliated with the Church, or act as our spokesman, you are legally required to register with us as a member. When you fill out your application for further involvement, let us know that you would like to be considered to be a qualified contact point in your area, for media representation or group activities.

If you have not already done so, we strongly suggest you purchase *The Satanic Bible*, and study it. It is a diabolical book, the basis for our philosophy. Satanism is not for everyone, but if it is for you, we welcome you. We are not a fan club, a pen-pal society, or a lonely hearts group. We are a group of dynamic individuals who stand forth as the ultimate Underground alternative--the Alien Elite. We realize what we have, what we are, and what we shall become. Our scope is unlimited, and the extent of your involvement is based upon your own potential. All names and addresses are held in strict confidence and you are under no obligation as a Registered Member, unless you choose to present yourself for further consideration.
