NECROPHOBIC

DEATH! DEATH! DEATH!!

OK! Here's the deathsters "NECROPHOBIC", from Stockholm (Once again Sweden, HA!).

And here is a interview with their extremeultra drummer Jocke.

RIDE ON ...

THE LINE-UP ?

Alright, it's me Joakim Sterner (19): Drums / David Parland (19): Guitar / Stefan Zander (19): Bass and vocals.

WHEN DID "NECROPHOBIC" START ?

We started -88 with a other name, But! In -89 we took the name "NECROPHOBIC" and began to take more serious about the whole thing.

We started to work hard to be something.. In the Underground...

ARE YOU SATISFIED WITH YOUR DEMO "SLOW ASPYXIATION" ?

We're all satisfied with the demo, we think it's a quiet good debut demo.

But! When we listen to the demo now, we think that there where some stuff that we had could done better.

But! we where totally without experience in the studio, we had never been in any studio before the recording of "S.A".

So! When we visit the studio next time, we will know more about what to do, and stuff like that, OK!!!

WHAT'S YOUR LYRICS ABOUT ?

It's most Stefan who writes our lyrics, and they are all small horror stories.

And it's a little bit of satan in them too, you know.

THE INFLUENCES ?

Our influences is bands like Morbid Angel, Sepultura, Death, and of course Atheist too.

But! We are not trying to copy this bands, we're trying to find our own style in DEATH METAL!!

DO YOU LIKE HORROR MOVIES ?

Well, i do, and Stefan. But David dosent like em' at all. (Why not-ed.)

WICH ZINE IS THE BEST ?

We all love SLAYER MAG!!

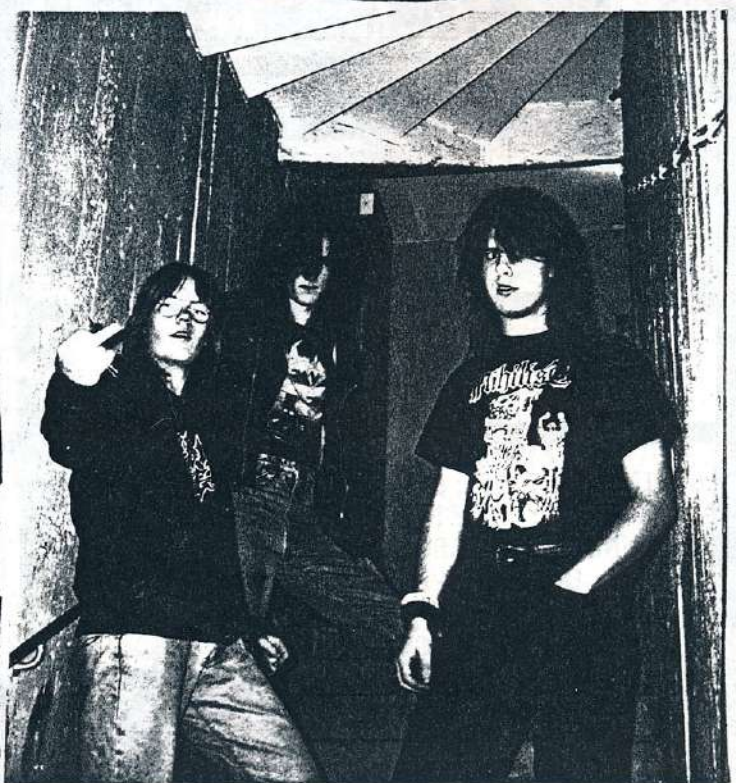

WHAT ABOUT THE GIGS ?

We have not play any gigs yet! SORRY!.

THE FUTURE ?

We will be mega-big... HA! No just kidding.

We are working on new material, for the next demo. We also hope that we can play some conserts in the near future. And of course we looking for a good

record contract.

AT LAST ?

Alright Per ! Thanks for this interview!!

And to you who don't own our demo "SLOW ASPYXIATION", i just wanna say :BUY OR DIE !!! It's a very good death metal demo.OK! SSEE YAAA!

GIG REVIEW!! BERGSLAGSROCKEN-90!!!!!!
90.06.02. FOLKETS PARK, FAGERSTA....
MEZZROW/PESTILENCE/MORBID ANGEL!!!!

So where i back once again here in
Fagersta, Sweden. To look at some
of the worlds best bands!!
First of all i go to the place the-
re C.B.R. where selling records/
t-shirts...etc.Ohh!The clock run
away to 1700 and it was time for
the first band, wich where MEZZROW.
They opening with "Then came the
killing".And after that track some-
thing went totally silence...What
went wrong!!Ohh!It was Conny's bass
speaker..Well!After a few seconds
it began to work again.And they co-
uld go on!!They burned tracks like
"Ancient terror", "Prevention nec-
essary", "Frozen soul"+More!They al-
so played an old Black Sabbath cover
"Paranoid".MEZZROW made a very
good gig even with the trouble in
beginning.After Mezzrow it was
pause ca: 2 Hours,and the it was
time for PESTILENCE.OOHH!!SHIT!!
WHAT A VOICCEE!!!They played songs
like "Suspended animation", "Out of
the body", "Deify the master", "De-
hydrated"...But what's this,the
guitarists have some black colour
in their mouth.SO SILLY!!Well they
made also a very good gig...And th-
en it was pause again,and buy some
demos with "Fallen Angel" and "Mo-
rbid fear"!! I also talk with mem-
bers from bands like TOXAEMIA, AB-
HORRENCE, FALLEN ANGEL, MEZZROW, ME-
RCILESS...It was great!!! So at
last time for the deathgods MORBID
ANGEL,but even here something went
wrong...They had just started the
gig when one of their guitarists
speaker went sillence..But the au-
dience was very kind against MORBID
..So they started again.And now
everything worked... "Immortal rit-
es", "Suffocation", "Evil spells" was
only a few songs they played. But
in one track "Chapel of ghouls",
the audience went totally crazy.
They nearly overtuned the music!!!
WHAT A GIG!!They also played "Thy
kingdom come", "Blasphemy"+An Terr-
orizer song "Dead shall rise".OK!
That was all,because i had to go
to the trainstation..And there i
slepped!!!GGNNAARRFFFFF!!!!!!!!!!!!!!

JEKELÖPRORJFHEYET!!HDUEHDDIDUD?LDKD!!This is the godly ABHORRENCE from Finland. For a while ago they release a demo "VULGAR NECROLATRY", but now they have recorded some new stuff for an upcoming EP, on Seraphic Decay Records!!Well, here is a nice interview with Kimmo their drummer!!!SSMMUURRFF OONNN!!!!!!!!!!!!!!

THE MEMBERS+AGES ?

Oh, the members are: Jukka Kolehmainen (18), vocals; Tomi Koivusaari (17), guitars; Kalle Mattsson (16), guitars; Juice Ahlroth (16), bass & Kimmo Heikkinen (16), drums.

WHEN DID "ABHORRENCE" START

We started to rehearse seriously together in the beginning of December 1989. We got this idea of forming a new band together in the middle of November 1989, I think.

ARE YOU SATISFIED WITH YOUR "VULGAR NECROLATRY" DEMO ?

No, we are definitely not satisfied with our demo! The sound, the songs and the playing - everything sucks on that tape! I doubt we will still sell this tape, but you can always write and ask!

WHEN WILL YOU RELEASE A NEW DEMO ?

I dunno. Our next release is going to be a 7 inch out later this year on SERAPHIC DECAY RECORDS. It has four short and catchy tunes of brutal death! The tracks in question are INTRO/PESTILENTIAL MISTS, HOLY LAWS OF PAIN, CAUGHT IN A VORTEX and DISINTEGRATION OF FLESH. For more information please write directly to: SERAPHIC DECAY RECORDS, KAMMS PLAZA - SUITE NO. 136, 3778 ROCKY RIVER DRIVE, CLEVELAND, OHIO, 44111-4050, U.S.A. This label has released some other brutal stuff such as INCANTATION, MORTICIAN and RIGOR MORTIS (N.Y.) 7" inchers - so you've got to write there!

WHAT'S YOUR LYRICS ABOUT ?

On the demo they are about such clichéd subjects as necrolatry, necrophilia and the creations of H.P. Lovecraft. Nowadays they talk about things like black death, the Hellraiser stories, emptiness and evil curses. So some narrow-minded hardcore people might not really get into them!

THE INFLUENCES ?

We are influenced by all brutal stuff we listen to. At the moment I find bands such as FUNEBRE, UNLEASHED, CARBONIZED, BATHORY (the new LP is God!), ENTOMBED (I'm listening to it right now!), ROTTING CHRIST, MASACRE, ABHORER etc. being very enjoyable, but I wouldn't call them influences. Probably our sound has got something from bands like CARCASS (my absolute No. 1!), MORBID ANGEL, BOLT THROWER, PARADISE LOST, but we are not trying to copy them... I am sure you must have read this same cliché from many other bands as well...

ANY HOBBIES BESIDES THE MUSIC ?

I do mail, work on my zine, read books, newspapers and zines, watch TV etc., but I don't really have any hobbies besides music!

DO YOU KNOW ANY SWEDISH BANDS ?

Of course! Some of the better ones I can think of right now are ENTOMBED, DISMEMBER, CARNAGE (R.I.P.), UNLEASHED, CARBONIZED, AFFLICTED CONVULSION, GRAVE, GROTESQUE, THERION, BATHORY, TOXAEMIA, TIAMAT, NECROPHOBIC, MACRODEX and so forth. You have the best death metal scene in the world - there's no doubt about it! Oh, CREMATORY and NIRVANA 2002 are great as well!

THE FUTURE ?

We're hoping to see our 7" EP released on SERAPHIC DECAY RECORDS. We also want to play more gigs and probably visit Norway someday to play with gods such as CADAVER or DARKTHRONE. It'd be great if somebody could fix us a gig in Sweden! We also hope to get bigger in the underground and start working on new material, which will be even more brutal... That's the only thing I can tell you about it.

LAST COMMENT ?

Thanks a lot for this interview, Per! Write us with something for the return postage (1 I.R.C./1 US \$), because I'm not rich at all! Support MOULD MAG and the entire Swedish death metal scene! What else could I add? **B R U T A L F U C K I N G H E A V Y D E A T H ! Yo!**

GROTESQUE

I should not need to tell you what this band is called, they have just released a album named "In the embrace of evil". Of course i'm talking about Grotesque from Sweden!!!! And this is a short interview with Tompa.....

WHEN DID YOU START ?

Grotesque was formed 2 years ago.

IS THIS YOUR FIRST BAND ?

No, but the first worth mentioning!

HOW MANY DEMOS HAVE YOU RELEASED ?

I don't know ??? About 3, i think. Yes 3!!

WICH IS YOUR FAVOURITE BANDS ?

Insanity, Necrovore, Pentagram(chi.), Immolation, Atheist(ex-Ravage)...etc..

HOW MANY GIGS...etc. ?

We've played 6 gigs, and we are ready to play anywhere, anytime!!

WELL, TOMPA, THE FUTURE ?

We'll to release an EP in the end of the summer(-90). "INCANTATION"!! And play alot of gigs, get a proper contract..

This is a deathband called "TRAUMATIC" from Mjölby, Sweden!!!!!! Before they were called "Crab phobia" and played thrashmetal, OK! Let's hear what this dudes have to say!!

Traumatic is:
Manuel(16)-Lead guitar.
Larsson(17)-Vocals.

WHEN DID YOU START ?

The band started in March -90 after that Crab Phobia split-up! Crab Phobia have nothing to do with "Traumatic". And one of the reasons that C.P. Split-up was that we doesn't want to play ordinary(Boring) thrashmetal!!, just like C.P. played...

Our lyrics is only about different treatment of dead bodies, like: CARCASS!!

WHEN WILL YOU RELEASE YOUR FIRST DEMO ?

WELL! The demo will truly be recorded sometime this autumn(-90). And will cost 20 Buck!!

THE INFLUENCES ?

!WRITTEN IN ENGLISH!

Death metal zine!

This is CREMATORY, a very good Death/Grind band from Älvsjö, Sweden.

On their first demo "MORTAL TORMENT", they had Christoffer from Therion singing.

But! Now they have released a new demo, called "THE EXORDIUM". With a new singer and a new guitarist.

And here is an interview with their drummer Matte.

WHEN DID "CREMATORY" START ?

We began to play last summer -89.

THE MEMBERS+ AGES ?

The line-up today is:
Stefan(17)-Vocals.
Ubbe(18)-Guitar.
Joppe(17)-Bass.
Matte(18)-Drums.

HOW MANY DEMOS ?

We have done a new studio-demo called "THE EXORDIUM". It was recorded in studio Grottan, Tyresö (Sweden), Dec-89 and Jan-90...

WHAT'S YOUR LYRICS ABOUT ?

They are most about splatter and purefaction, and stuff like that!

GIGS... etc ?

We have played a few

gigs, and they have all turned out really good.

We have played together with ENTOMBED, THERION, CARNAGE, UNLEASHED and many others.

THE INFLUENCES ?

CARCASS, BOLT THROWER, TERRORIZER, UNSEEN TERROR...

WHAT ABOUT THE FUTURE ?

We will release an album, if possible in the end of this year or in the beginning of next year -91. We don't wanna unveil the record company yet.

AT LAST ?

If anybody wants to buy our demo "THE EXORDIUM", send 20 Skr./4 \$.
Or our t-shirt for the price of 50 Skr./10\$.
(ONLY CASH)!!

FALLEN ANGEL

HANG-OVER

Hi there!! This is the ultimate thrashers from Örebro (Sweden) "FALLEN ANGEL". They will truly release an 12" in the end of this year -90. But this is only an interview with their guitarist and singer Loppa...

MEMBERS+ AGES ?

The members in "Fallen Angel" is: Johan Bülow (20) - Lead vocals and guitar / Joacim Persson (19) - Lead guitar / Matte Hedenborg (17) - Bass / Fredrik Lindén (19) - Drums..

OK, WHEN DID YOU START ?

The embryo to "Fallen Angel" started already back in -84 by Fredrik Lindén, Gustaf Ljungström (Bass) and Fredrik Hahnel (Voc/Guit.) 1986 they took the name "Fallen Angels" and kept that until Oct. -87 when Johan Bülow joined the band and took over the vocal. Parted the name and changed to "Fallen Angel". And then Fredrik Hahnel left the band, he was replaced by the lead guitarist Kent Engström. Who stayed for about 6 months, then he left. And only one week later Joacim Persson joined this line up. 10 June (-90) when Gustaf Ljungström left, he was replaced in July (-90) by bass player Matte Hedenborg.

HOW MANY DEMOS HAVE YOU MADE ?

We have made 2 demos, but only 1 one them "HANGOVER" have we released for the

public property. Actually we have made 3 demos, but the first one was with lead guitarist Kent Engström and that one is not so good. Especially because I have a cold at the time and I sang like fucking, I don't know what.

WHAT'S YOUR LYRICS ABOUT ?

Our lyrics is about every thing that happens around us. "Dental Surgery" from the "Hang Over" tape for example is about a horrible surgery that I went through for a couple of years ago. I remember that I was terrified for about 3 months before it was time to do it!! The song "Hang Over" can probably most of us see yourself in it's about the day after, simply. Otherwise our lyrics can be about anything that comes up at the time we're writing.

THE INFLUENCES ?

Our influences??!! Well it must be Metallica, Testament type of thrash. But my wish is that we go into Sepultura direction, but NOT any growling vocal. I prefer to sing!!

GIGS...etc. ?

For the moment is nothing booked, but we're hoping that this autumn will be as good as it was in winter/spring. This year we did about 10 gigs from Jan.-May and that is quite good for a band in our size. The thing that's planned is that we are going to make a mini-tour among with Nirvana 2002, Authorized (EX. Morbid Fear) and Apendix, cause we are together with them on a 7" and to back-up it will be to play a couple of gigs.

DO YOU LIKE "SPLATTER" MOVIES ?

If I like "Splatter" movies?? No it's not my favourite kind of stuff. I prefer movies like Conan and Raiders of the Lost Ark or maybe Total Recall, more like fantasy/Action...

THE BEST ZINE/DEMO ?

I have not read so many zine's yet, but so far (I have seen quite many, but never read them) it is "HYPNOSIA" made by Kentha Philipsson, he has done a very good job, the layout looks very professional. Bets demo that's a hard question, I like Tribulation's "A void of compassion" alot and also Mezzrow "The cross of tormention".

WHAT DO YOU THINK ABOUT "UNDERGROUND" ?

Underground is fabulous, I mean in what other music do you find anything like it. If you play in a Heavy metal band no one gives a fuck about what you are doing coz' they only listen to the big bands like "Bon Jovi" and "Whitesnake" but if you are in a thrash/death and send around some demos and some flyers the word is spreading by itself and before you know it everyone has heard about you. And I think that is because thrash/death fans are much more enthusiastic may-

be even fanatic then other heavy fans.

WELL, LOPPAN, THE FUTURE ?

We have planned to released a 12" single on own label. And we hope that will lead to a recorddeal and of course we will gig as much as possible.

LAST COMMENT ?

First of all we would like to thank you "Budda" for the interview and we wish you good luck with "MOULD MAG"...Then we would like to say hello to everyone who bought "Hang Over" (Hope you will buy our 12" single too) and coming and stage-dive on our shows, We love you, see you again. And last if anyone would like to order "Hang Over" or just like to write the address is: Johan Bülow, Rönnvägen 5, 702 20 Örebro, Sweden.....

The price of their "Hang Over" demo is 20 Skr, /5 \$.

There are 4 tracks "Recipient", "Sorry, i forgot your funeral", "What now, my friend" and "Protectors of penetration".... The sound of this demo is also the best this year, PERFECTLY!!!!!! I think that this demo is much better than their debut demo "Au-To-Dafe". Well! There are 4 tracks+ intro on this tape, "Recarbonized", "For the security", "Two faces" and "The monument". They were only 3 members when they recorded this demo! Now they have a new singer named "Rickard"!!! I hope you know that their bassman Lasse plays in "Entombed" also!! BEST ZINE/DEMO ?

FALL FROM GRACE! Is a nice zine. Because he knows what he writes about + that the zine does`ent describe only one sort of metal... Best demo: UUhh!! It`s many bands that have done good demos, like: PAGANDOM, ENTOMBED, INVOCATOR!

This is INTOXICATE from Gothenburg, Sweden. They are a thrashband, and have released 2 demos. "MONOMANIA" and the new one "TANGO OF NIETSCHE". Well! Here`s a interview with one of their guitarists, Tommy.

THE MEMBERS, AGES ?

Grytting(21): Vocals.
Tommy(20): Guitar.
Pasi(20): Drums.
Tomas(19): Guitar.
Martin(3... Hmm! I mean 17): Bass.

WHEN DID YOU START ?

We began sometime around the summer -88.

ARE YOU SATISFIED WITH YOUR DEMO "TANGO OF NIETSCHE" ?

It`s ok! But we are not satisfied with 2 tracks (Human concentration and Whatever).. The sound is ok, but it`s not the best. Too little guitar .. And so on. Next demo will be better in all ways, i think.
But i can never be really satisfied, i think!!

WHO MADE THE MUSIC? LYRICS ?

Grytting stands for the lyrics. And me and Tomas have writes the music, this far.
But we try to change that so everyone can get involved.

THE INFLUENCES ?

If you listen to the influences til` that we play, i can tell.. Ex: Hhmm. uh! Shit, it was not easy!! We listen to almost everything in this genre.. Of course we`re trying to find our own style.. And it`s not easy either..

ANY HOBBIES ?

GIGS...etc. ?

Our gigs... We fix almost every gig by ourselves, and we play about 90 % together with PAGANDOM... But it does`ent matter because they are very good!!!! It`s not overcrowded with gigs, but when we play it comes alot of people. We play almost everytime in G.B.G., hope on changing..

THE FUTURE ?

Our "TANGO.." demo should be release on vinyl this autumm.. But it does`ent change anything, i`m affraid.. It`s only a funny thing!!
Well! We`ll keep on recorded demos until any record company tussle!! Maybe we gonna work more with promotion and stuff like that in the future, we`ll see...

This is OLD FUNERAL, from Lysekloster, Norway. They have a very cool demo out "ABDUCTION OF LIMBS".

And here's a sick interview with one of their members TORE!!

THE MEMBERS+AGES ?

Until May '90 the line-up was: Tore (Guitar) 17, Olve (Bass/Voc.) 16, Padde (Drums) 20. But then we got another guitarist whose name is Christian, he is 17.

WHEN DID "O.F." START ?

As any other band (Except Granate) we were formed. And that happened the 17th of May '88. At that time we couldn't handle our instruments at all. But after a while we managed to play some covers of "Slaughter" and "Celtic Frost".

ARE YOU SATISFIED WITH YOUR DEMO "ABDUCTION OF LIMBS" ?

Yes, and no. Musically we're satisfied with it, but the production could have been much more massive and fatter. Next time we're in studio, we'll use more time. This demo was recorded in a 16 track studio. And... Well, all in all I think you can say we're quite happy with the product.

WHAT'S YOUR LYRICS ABOUT ?

"ABDUCTION OF LIMBS" is about a mad doctor who steal parts of his patient's bodies and sell them to a otologic research centre. Stupid as he was, he sent the limbs by mail. We got this from one of the ads on the CARCASS "Reek of putrefaction" innersleeve.

"ANNOYING INDIVIDUAL" is about a spoilt brat who always

gets what he wants.

"SKIN AND BONE" is about thin peoples.

HOW IT'S THE DEATH METAL SCENE IN NORWAY ?

Pretty good, I think. Lots a 'zines and bands. Too many 'zines I think but as in any other country there are a few RIP-OFFS!! But we got mostly kind dudes who live with their mom and dad because of terrible rectum rifles and the horrid anal teple of suit-cases.

THE INFLUENCES ?

Our influences are dishwashers, kanonpadding, skrelte skinnlegger, Launderettes, type writers, curtains, Pot-plants, Litter boxes and Santa claus!!!

DO YOU KNOW ANY SWEDISH BANDS ?

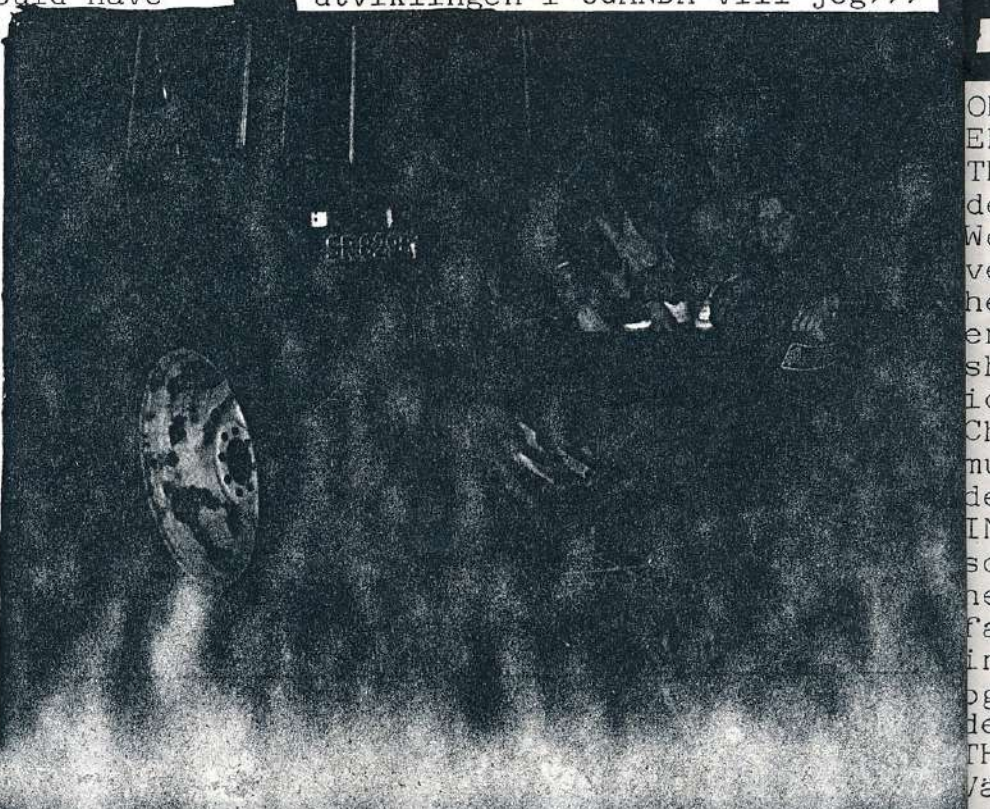

YAPPIUPPP! Entombed, Carbonized, Suffer, Merciless, Therion, Tribulation, Vikingarna, ABBA, Carola, Grotesque, Carnage, Expulsion, Treblinka, Dismember, Sorcery's Malediction, Kentik Brosk, Grave, Unleashed + A bunch more.

ANY HOBBIES BESIDES THE MUSIC ?

Swimming, Video watching, Junk-food eating, Occultism, off there are a lot of things interesting me.

ÄR KENTS STRUMMPOR SVETTIGA ?

JA, det er de for dom har just sugit snopp. Och sa Kåre Wilioem, og på grunn av den sosialistiske utviklingen i UGANDA vill jeg>>>

THERION "TIME SHALL TELL"

OK!Now the time have come to TH-
ERION,but only time shall tell.
THERION is absolutly one of Swe-
dens best death/grind band.
Well!The album started with a
very doomy riff,and then when the
heavy came.You can't stop list-
ening. There are 4 tracks:Time
shall tell/Dark eternity/Asphyx-
icate with fear/Suburb to hell.
Christoffers voice have also been
much better,i mean since their
demo "BEYOND THE DARKEST VEILS OF
INNER WICKEDNESS".Now there is
some CARCASS influences too,but
he still have CELTIC FROST as his
fave band.The album is recorded

Do you remember CARBONIZED, their first demo where called "AU-TO-DAFE" and had Matti Kärki on vocal. Well, who cares. Because now they have release a new demo "RECARBONIZED". So i contacted their bassplayer Lars to find out more about CARBONIZED. And here is the answers!!!

WHY DID STEFAN LEAVE CARBONIZED ?

Cult question! First time anyone asking me that.

Well! I and Jonas wanted to started something new...So we leaved CARBONIZED. And as no one of the old line-up didnt go on with CARBONIZED, we took the name! Partially also because it was me who started up CARBONIZED+ I am the only original member. And Stefan had a other adjustment to the music than me and Jonas, so it would not worked out.

GIGS...etc.?

NO! No gigs, but! We wanna play some, specially here in our hometown: STOCKHOLM. We also waiting on answers from some recordcompanys.

HOW MANY EX. HAVE YOU SOLD OF YOUR FIRST DEMO "AU-TO-DAFE" RESP. THE SINGLE "NO CANONIZATION" ?

I don't know exactly about the demo "AU-TO-DAFE", but i think ca: 600 ex. And our 7" "NO CANONIZATION" have sold over 1100 ex. of our recordcompany "THRASH REC."

FAVOURITEBANDS ?

My favouritebands changes from day to day, but just now :Morbid Angel, Defecation, S.O.B., Napalm Death, Carcass, Agathocles, G.B.H., Subhumans, Voivod and Septic Death!!

GIG REVIEW!! DEATH FEAST 2!! 90.05.26. FOLKETS HUS, MOTALA (SWEDEN)!! TOXAEMIA/MORBIDITY/THERION/CADAVER/ENTOMBED...

NOW, what a night! 5 of scandinavias best bands. Well, first out where TOXAEMIA from Motala. They played both old and new trax+ every track from their demo "KALEIDOSCOPIIC LUNACY". And then it was time for MORBIDITY, they where the newest band this evening. I had not heard them before this gig, but what a suprice: They played very good death metal!! And they also played 2 Sepultura covers "BENEATH THE REMAINS" and "INNERSELF". GREAT!! THERION, so! What can i say about this band, more than they are one of swedens bests death metal acts.. They played every song from their 12" "TIME SHALL TELL"+ Some old (very nice) material like "THE RETURN" "MEGALOMANIA"... But in the end of the gig, their guitarist Peter get some problems with his guitar. So they had to stop.. It was very pity!! And after Therion it was time for the deathsters from Norway CADAVER. They made a very good gig, even with a singing drummer. They played nearly every track from their upcoming album!! And then it was only one band left. ENTOMBED, well! I think that this band is one of the best groups on this earth... BUT! Not this evening; They where totally out of controll.. Nicke (Drums) and Uffe (Guitar) where so fucking drunk. But they try to play their best, in tracks like "DROWNED", "LEFT HAND PATH", "THE TRUTH BEYOND"... GO TO MOTALA WHEN DEATH FEAST 3!! IS THERE!! SSSSSEEEEE YYYYYAAAAA!!!!!!

Hi there! Actually I am not the new guitarist in Blasphemy, but I'd like to present this new zine, which will move mountains: GOATSKIN! In my first issue I have planned to feature such groups as Immolation, Nocturnus, Cadaver, Tiamat, Abhorer, Exit-13, Death Vell, Sadism, Devoid, Lord of Putrefaction, Atrocity (WG), Belching Beast, Anarchus, Funebre, Abhorrence, Nuxvomica, Varathron, Abominog, Stigma Diabolicum, Abhorrent, Pyathrosis, Invocator to mention only a few... Of course I still need more bands for this issue and I am very open to your promo packs (w/ tape, bio, logo & photo), but I can also buy your stuff or send "Vulgar Necrolatry" demo by Abhorrence in exchange! I am so bored with all zines asking for free promo tapes, when they could send blank tapes... I can send blank tapes to you, but first I want you to contact me, OK? I will give you an honest review and a free copy of the zine. Oh yes, GOATSKIN zine is dedicated to all extremely brutal death metal bands, so if you play speed metal, then you can forget the whole thing... I hope I do not sound too narrow-minded, when I say this, but I think there are never too many death metal zines! And death metal is the style of music I like the best! I am especially interested in supporting new unknown bands from exotic countries - I am here to help and I will make you known! I also distribute flyers, so everyone can send his/her own ads to me and I will pass them on! I know, all this sounds too good to be true, but please write me at:

I used to do a zine called RABID OUTBURST, but I decided to quit doing it for several reasons. The first issue of R.O. can still be obtained by sending 10 FIM, 3 USD, 2 GBP or 5 DEN to my address. It has 48 A5-sized pages filled with such infamous names as Invocator, Whilist/Entombed, Carnage (R.I.P.), Necrophile, Mutilated, Cadaver, Xysma, Sacred Crucifix, Nocturnus along with dozens of others... I can also trade it against any other death/thrash zine...

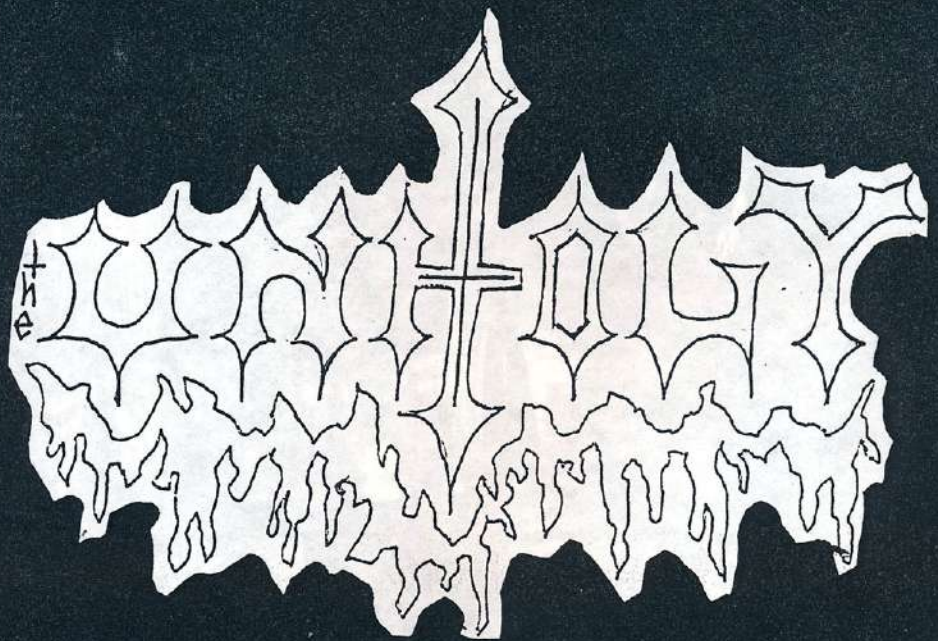

NEWZ!!!!!!NEWSZ!!!!!!NEWS!

We begin with a mournful one. "MANGA" who used to play the bass in "SUFFOCATION" (now=WORTOX), is dead. He crashed with his motorbike here in Kumla, 90.08.03. I HOPE YOU HEAR THIS "MANGA"- REST IN PEACE!!!!!!!!!!!!!!!!!!!!!! MERCILESS, have signed with C.B.R. (I hope you had heard it before.) OBITUARY and MORGOTH will come to Europe, sometime this autumn. A new started deathband from my hometown: Kumla, is "NECORION". If you are interested to know more, write to: Markus Rudahl, Skolv.7, 692 34 Kumla, Sweden.....

THE UNHOLY STORY

The Unholy started in the beginning of 1990, by "PUNKEN" (drums) and "PAUL" (Guitar). After a month "JOHAN" (Bass) joined, and THE UNHOLY started to rehearsal. In the end of March, they had their first gig. It was in "ROCKSLAGET" (a big competition for rockbands, 120 Bands!!) there where about 350-400 people in the crowd! "FROG", a good friend (ex. Megaslaughter) had the vocals! But! This gig was the end of the Unholy for a while, because "JOHAN" left the band for

a fagband! I mean a glamband... "PUNKEN" and "PAUL" where looking for some new members, but didn't find some who fitted in until June, when "STEFAN" (Bass) and "ANDERS" (Guitar) joined!! The music is a mix of thrash/death now, but who knows what will happen in the future.. The music taste is so different in the band! "PUNKEN" likes mostly death metal, as: Morbid Angel, Autopsy, Obituary, Terrorizer.. "PAUL" likes well played guitar music as: Metallica, Joe Satriani, Onslaught, Steve Vai... "ANDERS" and "STEFAN" likes thrash, as: Sacred Reich, Kreator, Sod, Metallica. + A lot of glamrock as: Guns'n'Roses, Poison... etc. (Fucking vimps...). Everyone except "PAUL" also likes punk/Hc... They will also be on the "GOTHENBURG THRASH ATTACK" Vol.1 (A sampler with G.B.G. bands.) Two gigs are planned in Aug. the 14: th is a "THRASH METAL GALA" with some local bands as: MEGASLAUGHTER/PAGANDOM/M.S.U.D./INTOXICATE.... And THE UNHOLY!! For more info. Write to: Mikael Uimonen, Katjasgata 137, 422 51 H-Backa... SWEDEN!!!!!!:::YEAH!!!!!!!!!!!!!!!!!!!!!!ÖHJ!!

FIRST REHEARSALTAPE TO BE RELEASED SOON !

A other band from Örebro, Sweden is BRUTAL RELIGION. And their first demo called "...ALL FALSE BITCHES DIE...". It's a 5 track demo, lists: Dead face, All false bitches die, There was a time, Kill the slobs and Red week!! The music in itself is very fast and brutal, but the voice is in my word very boring. But! Who cares, because they have change 2 members since this demo. Now they are a 4 piece band, and on the demo they where 5. I will truely have an interview with them in No.2. Write to this man for more info: ADDE WESSLYNG, RUNNABYV.23, 705 92 ÖREBRO!!!!!!!!!!!!!!CCCPPPP!!!

TANGO OF NIETSCHE

INTOXICATE from Gothenburg, have release a new demo "TANGO OF NIETSCHE". Their debut demo "MONOMANIA" had a very poor sound quality, but this one is great!!! There are 4 tracks on this one: Tango of Nietzsche, Human concentration, Whatever and C-for yourself. And the best one is (In my word) Tango of Nietzsche. They play thrash metal, and they must be one of Sweden's best bands. Well, Well, buy now this demo. Send 25 Skr./6\$ to this dude: c/o TOMMY CARLSSON, MUNGÅRDSGATAN 27, 421 53 V-FRÖLUNDA, SWEDEN!!
